PATENT ASSIGNMENT

This **PATENT ASSIGNMENT** (this “**Assignment**”) is made effective as of September 22, 2023, by and between **EMC Corporation**, a Massachusetts corporation (“**Assignor**”), and **Dell Products L.P.**, a Texas limited partnership (“**Assignee**”).

WHEREAS, Moogsoft Inc. is the registered owner of the patents and patent applications identified in Schedule 1 of this Assignment; and

WHEREAS, Moogsoft Inc. merged with and into Assignor on August 11, 2023 by virtue of a merger governed by that certain Agreement and Plan of Merger dated August 11, 2023, attached hereto as Exhibit A (the “**Merger**”); and

WHEREAS, by virtue of the Merger, Assignor now owns the patents and patent applications identified in Schedule 1 of this Assignment; and

WHEREAS, Assignee desires to acquire, and Assignor desires to sell, all of Assignor’s right, title and interest in and to the Transferred Patents (defined below).

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the parties agree as follows:

1. Assignor hereby irrevocably sells, assigns, transfers, and conveys to Assignee all right, title, and interest in and to any and all of the following (collectively, the “**Transferred Patents**”):

(a) each of the patents and patent applications identified in Schedule 1 hereto, together with any patent issuing on any patent applications listed on the schedule, including any rights of priority in or to any of the foregoing patents or patent applications;

(b) each patent and patent application that derives priority from any of the patents or patent applications described in clause “(a)” above, including all extensions, renewals, reissues, reexaminations, divisionals, substitutions, provisionals, continuations, continuations-in-part, conversions, prolongations, continued examinations, continued prosecution applications, and domestic and foreign counterparts that derive priority from any of the patents or patent applications described in clause “(a)” above, and each patent issuing on any of the foregoing;

(c) each patent or patent application that is referenced by a terminal disclaimer filed in connection with any of the patents or patent applications identified in clause “(a)” or clause “(b)” above;

(d) all rights to apply in any and all jurisdictions anywhere in the world for patents, certificates of inventions, utility models, or other governmental grants with respect to each Transferred Patent, including the right to apply for patents pursuant to any convention, treaty, agreement or understanding;

(e) to the extent they exist, any and all causes of action (whether known or unknown or whether currently pending, filed, or otherwise) and other enforcement rights under, or on account of, any of the Transferred Patents, and items in any of the foregoing clauses “(a)” through and including “(d)” above, including all causes of action and other enforcement rights for (i) damages, (ii) injunctive relief, (iii) any other remedies of any kind (in each of the cases in clauses “(i)”, “(ii)”, and “(iii)” of this clause “(e)” for past, current, and future infringement), and (iv) all claims and rights to collect royalties, income, profits, and other payments under or on account of each of the Transferred Patents, and items in any of the foregoing clauses “(a)” through and including “(d)” above.

2. Assignor hereby authorizes the respective patent office or governmental agency in each jurisdiction to issue any and all patents, certificates of invention, utility models or other governmental grants or issuances that may be granted upon any of the Transferred Patents in the name of Assignee, as the assignee to the entire interest therein.

3. Assignor hereby authorizes and requests the attorney or agent of record to insert on this Assignment any further identification that may be necessary or desirable in order to comply with the rules of the respective patent office or governmental agency in each jurisdiction for recordation or other official recognition.

4. Assignor agrees to execute and deliver other documents which the Assignee, its successors and assigns request to effect the terms of this Assignment and to execute and deliver any and all affidavits, testimonies, declarations, oaths, samples, exhibits, specimens and other documentation as requested to effect the terms of this Assignment.

5. Assignor shall, at the cost and expense of Assignee, reasonably cooperate with Assignee and Assignee’s representatives, and shall execute and deliver such documents and take such other actions as Assignee may request, to cause to be conveyed to Assignee and its successors or assigns all of the rights, titles and interests intended to be conveyed to Assignee under this Assignment.

6. Assignor hereby irrevocably nominates, constitutes and appoints Assignee as the true and lawful attorney-in-fact of Assignor (with full power of substitution) and hereby authorizes Assignee, in the name of and on behalf of Assignor, to execute, deliver, acknowledge, certify, file and record any document and to take any other action (on or at any time after the date of this Assignment) that Assignee may deem appropriate for the purpose of collecting, asserting, enforcing or perfecting any claim, right or interest of any kind that is included in or relates to any of the Transferred Patents or otherwise carrying out or facilitating any of the transactions contemplated hereby. The power of attorney referred to in the preceding sentence is and shall be coupled with an interest and shall be irrevocable and shall survive the dissolution or insolvency of Assignor.

7. The terms and conditions of this Assignment will inure to the benefit of Assignee and Assignee’s successors and assigns of the Transferred Patents and other rights set forth above. This Assignment and the rights and obligations of the parties hereunder shall be governed by and construed in accordance with the laws of the State of Delaware.

8. Any rule of construction to the effect that ambiguities are to be resolved against the drafting party will not be applied in the construction or interpretation of this Assignment. The

words “include”, “including” and variations thereof will be deemed to be followed by the words “without limitation”. The use of “or” will not be deemed to be exclusive. This Assignment may be executed in counterparts (including electronic .pdf counterparts), each of which when executed will be deemed to be an original but all of which taken together will constitute one and the same agreement.

[Signature page follows]

IN WITNESS WHEREOF, intending to be legally bound, the parties through their duly authorized representatives have executed this Assignment as of the date first written above.

Exhibit A

Agreement and Plan of Merger

[See attached]

AGREEMENT AND PLAN OF MERGER

This Agreement and Plan of Merger (this “**Agreement**”) is made and entered into as of August 11, 2023, by and between EMC Corporation, a Massachusetts corporation (“**EMC**”), and Moogsoft Inc., a Delaware corporation (“**Moogsoft**”).

WHEREAS, Moogsoft is a subsidiary of EMC; and

WHEREAS, Moogsoft and EMC wish to merge (the “**Merger**”) pursuant to Section 252 of the Delaware General Corporation Law (the “**DGCL**”) and Section 11.02 of Chapter 156D of the Massachusetts General Laws (“**Chapter 156D**”), on the terms and subject to the conditions provided for in this Agreement.

NOW, THEREFORE, in consideration of the foregoing and of the mutual covenants herein contained, the parties hereby agree, in accordance with the applicable provisions of the DGCL and Chapter 156D, and subject to the terms and conditions set forth herein, as follows:

1. Terms and Conditions of Merger.

1.1 The Merger. Upon the terms and subject to the conditions set forth in this Agreement, and in accordance with the DGCL and Chapter 156D, at the Effective Time (as defined herein), Moogsoft shall be merged with and into EMC, and the separate existence of Moogsoft shall thereupon cease, and EMC shall be the surviving corporation in the Merger (the “**Surviving Corporation**”).

1.2 Effective Time. Subject to the provisions of this Agreement and in accordance with the provisions of the DGCL and Chapter 156D, as soon as practicable after the execution and delivery of this Agreement and the receipt of a written consent of the sole director of EMC adopting this Agreement and approving the Merger, EMC shall file Articles of Merger (the “**Articles of Merger**”) with the Massachusetts Secretary of State pursuant to Section 11.06 of Chapter 156D of the Massachusetts General Laws and shall file a Certificate of Merger (the “**Certificate of Merger**”) with the Delaware Secretary of State pursuant to the DGCL and make all other filings or recordings required by the DGCL and Chapter 156D in connection with the Merger. The Merger shall become effective on the date specified in the Certificate of Merger (the “**Effective Time**”).

1.3 Effect on Equity Interests. At the Effective Time, by virtue of the Merger and without any action on the part of the holder of any equity interests of EMC or Moogsoft:

(a) Capital Stock of EMC. The Merger shall have no effect on the issued and outstanding shares of capital stock of EMC, which shall be the Surviving Corporation in the Merger.

(b) Capital Stock of Moogsoft. Each issued and outstanding share of capital stock of Moogsoft shall be automatically canceled pursuant to the Merger and shall cease to exist, and no consideration shall be delivered in exchange therefor.

2. Articles of Merger; Effect of Merger.

2.1 Articles of Merger. The Merger shall be consummated in accordance with the terms and conditions of this Agreement, the Articles of Merger and the Certificate of Merger.

2.2 Effect of Merger. Upon consummation of the Merger at the Effective Time: (a) Moogsoft shall cease to exist and (b) EMC shall continue in existence as the Surviving Corporation and, without further transfer, succeed to and possess all rights, privileges, powers and franchises of Moogsoft, and all of the assets and property of whatever kind and character of Moogsoft shall vest in EMC, as the Surviving Corporation, without further deed; thereafter, EMC, as the Surviving Corporation, shall be liable for all of the liabilities and obligations of Moogsoft, and any claim or judgment against Moogsoft may be enforced against EMC, as the Surviving Corporation, in accordance with the DGCL.

3. Additional Terms and Conditions.

3.1 Articles of Organization. From and after the Effective Time, the articles of organization of EMC shall be the articles of organization of the Surviving Corporation, until further amended.

3.2 Bylaws. From and after the Effective Time, the bylaws of EMC shall be the bylaws of the Surviving Corporation, until further amended.

3.3 Directors and Officers. From and after the Effective Time, the director and officers of EMC immediately prior to the Effective Time shall be the director and officers of the Surviving Corporation, and such director and officers shall continue to serve the Surviving Corporation in their respective positions until their respective successors are elected and qualified or until their earlier death, resignation or removal.

4. Miscellaneous.

4.1 Termination and Abandonment. This Agreement may be terminated and the Merger abandoned at any time before the Effective Time by EMC.

4.2 Entire Agreement; Amendment. This Agreement contains the entire agreement between the parties hereto, and supersedes all prior oral or written agreements, commitments or understandings with respect to the matters provided for herein. This Agreement may be modified, supplemented or amended only by a writing duly executed by both parties in accordance with applicable provisions of the DGCL and Chapter 156D.

4.3 Execution in Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same document, and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other party.

[Signature page follows]

IN WITNESS WHEREOF, each of the undersigned has caused this Agreement to be executed on its behalf as of the date first written above.
