DECLARATION (37CFR 1.63) FOR UTILITY OR DESIGN APPLICATION USING AN APPLICATION DATA SHEET (37 CFR 1.76) AND ASSIGNMENT

Title of Invention: FAN WITH IMPROVED EFFICIENCY MOTOR

This declaration is directed to:

- The attached application, and/or United States application or PCT international application number 120882714 filed on May 20, 2007

As the below named inventor, I hereby declare that: (a) the above-identified application was made or authorized to be made by me; and (b) I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

WHEREAS, ERIC EVERS (hereinafter referred to as "ASSIGNEE") having a place of business at 2042 Innovation Drive, Leesport, PA 19551 is desirous of acquiring the entire right, title and interest in and to the invention of the above-identified application and in and to any Letters Patent(s) that may be granted therefor in the United States, its territorial possessions, and in any and all foreign countries.

NOW, THEREFORE, for good and valuable consideration, the receipt whereof is hereby acknowledged, the undersigned inventor does by these presents sell, assign and transfer unto ASSIGNEE, the full and exclusive right to the invention of the above-identified application in the United States, its territorial possessions, and in any and all foreign countries (including the right to claim priority under the terms of the International Convention and other relevant International Treaties and Arrangements to the invention of the above-identified application), as well as the entire right, title and interest in and to any and all Letters Patent(s) which may be granted therefor in the United States, its territorial possessions, and in any and all foreign countries, and in and to any and all divisions, reissues, continuations, substitutions and renewals thereof.

I hereby authorize and request the Patent Office Officials in the United States, its territorial possessions, and in any and all foreign countries to issue any and all Letters Patent(s) for the invention of the above-identified application, when granted, to ASSIGNEE as the owner of my entire right, title and interest in and to the same, for the sole use of ASSIGNEE, its successors and assigns, to the full end of the term for which the Letters Patent(s) assigned hereunder may be granted, as fully and entirely as the same would have been held by me had this grant not been made.

Further, I will communicate to ASSIGNEE or its representatives any facts known to me respecting the invention of the above-identified application, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, substitute, renewal and reissue applications, execute all necessary assignment papers to cause any and all Letters Patent(s) for the invention of the above-identified application to be issued to ASSIGNEE, make all rightful oaths, and, generally do everything possible to aid ASSIGNEE, its successors and assigns, to obtain and enforce proper protection for the invention of the above-identified application in the United States, its territorial possessions, and in any and all foreign countries.

I authorize the law firm of Dickinson Wright PLLC, to insert the serial number and filing date above once it is known.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.
