Exhibit C

ASSIGNMENT

For good and valuable consideration, NuLens Ltd. (in voluntary liquidation), a limited liability company incorporated under the laws of the State of Israel, by its Voluntary Liquidator Dror Harpaz Adv. of 53 Hashalom Rd. Givatayim, Israel (hereinafter the "Assignor") agrees to assign and hereby does assign, transfers and sets over to each of the "Assignees" Forsight Vision6 Inc. and/or FSV6 Ltd. (each, an "Assignee" and together, the "Assignees"), in such allocation as set forth opposite the names of each Assignee in Schedule A, its entire right, title and interest in the inventions as fully set forth and described in Schedule A attached hereto, and all applications for patents and any letters patent which may be granted therefor, together with its entire right, title and interest in and to said applications, any and all divisional or continuation applications thereof, and any and all letters patents which may issue or be re-issued for said invention to the end of the term for which each said letters patent may be granted.

Assignor assigns to Assignees all rights to the inventions, invention disclosures, and discoveries in the assets listed above, together, with the rights, if any, to revive prosecution of claims under such assets and to sue or otherwise enforce any claims under such assets for past, present or future infringement.

Assignor hereby authorizes the issuance of any and all letters patent resulting from said applications or any division or divisions or continuing applications thereof to the said Assignee as the Assignees of its entire right, title and interest in and to the same, for the use and benefit of each said Assignee, its successors, assigns or legal representatives, and hereby covenants that it has full right to convey the interest herein assigned, and that it has not executed and will not execute any agreement in conflict herewith.

Assignor hereby authorizes the respective patent office or governmental agency in each jurisdiction to make available to each Assignee all records regarding the said inventions.

The terms and conditions of this assignment of rights in the said inventions will inure to the benefit of each Assignee, its successors, assigns, and other legal representatives and will be binding upon Assignor, its successors, assigns, and other legal representatives.

The Assignor, on behalf of itself, its representatives and administrators, hereby covenants and agrees to do all such lawful and reasonable acts and things and to execute without further consideration such further lawful assignments, documents, assurances, applications and other instruments as may reasonably be required by each said Assignee, its successors, assigns or legal representatives, to effect the assignment set forth herein.

Signed this 8 day of October, 2014
