Gurugram, IN 122003

respectively ("Inventor and Assignor"), have made a certain new invention as set forth in the accompanying application entitled:

SYSTEM AND METHOD FOR AUTOMATED DATA HARMONIZATION

The above-identified application was made or authorized to be made by us. We believe that we are the original inventor or an original joint inventor of a claimed invention in the application. We hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both

AND WHEREAS,

Fractal Analytics Private Limited
Level 7, Commerz II, International Business Park
Oberoi Garden City, IN 400063

Respectively ("Assignee"), is desirous of acquiring the entire right, title, and interest in and to said invention and application, and in and to any and all Letters Patent of any country which may be obtained therefore.

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer, and set over unto Assignee, its legal representatives, successors, and assigns, the entire right, title, and interest in and to said invention and application, including the right to claim priority under 35 U.S.C. 119 and/or 120 the right to sue for past infringement, as set forth in the above-mentioned application, including any continuations, continuations-in-part, divisions, reissues, re-examinations, or extensions thereof, and in and to any and all patents of any country which may be issued for said invention;

UPON SAID CONSIDERATION, Assignor hereby agrees with the said Assignee that Assignor will not execute any writing or do any act whatsoever conflicting with these presents,

4856-3788-5558.1

and that Assignor will, at any time upon request, without further or additional consideration but at the expense of said Assignee, execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of any country on said invention, and in enforcing any rights or chooses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of Assignor and Assignee:

The undersigned hereby grants the firm of WILEY REIN LLP the power to insert on this Assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

This Assignment may be executed in counterparts and all such counterparts shall constitute one and the same instrument.

AND Assignor requests the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said Assignee, its legal representatives, successors, or assigns, as the sole owner of the entire right, title, and interest in and to said patent and the invention covered thereby.

In witness thereof, the combined Declaration and Assignment has been executed by the undersigned on the date(s) opposite the undersigned name(s).

The combined Declaration and Assignment should preferably be acknowledged before a United States Consul or Notary Public. If not, then the execution by the Inventors should be witnessed by at least two other persons who should sign here.
