ASSIGNMENT

THIS ASSIGNMENT, made by me, **Anisul Quadir**, a citizen of the United States of America, having a mailing address of 25 Schmeelk Place, East Setauket, New York 11733; and

WITNESSETH: That,

WHEREAS, I am a joint inventor of certain and useful improvements in **AQUEOUS ENTERIC COATING COMPOSITION**, for which U.S. Patent Application No. 15/132,627 (the "Application") was filed on April 19, 2016 in the United States Patent and Trademark Office; and

WHEREAS, **Se Tylose USA, Inc.**, a Delaware corporation, having a place of business at 26270 Hwy 405, Plaquemine, Louisiana 70764 (the "Assignee"), is desirous of acquiring the entire right, title, and interest in and to said invention as described in the Application, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, to whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold and by these presents do hereby sell, assign, transfer, and convey unto the Assignee, its successors and assigns, the entire right, title, and interest in and to said invention and Application, and in and to any and all subsequent patent applications which claim the benefit of priority from said Application including regular utility, continuations, and continuations-in-part, or divisions thereof, and in and to any all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted for the invention in or on applications claiming the benefit of priority from said provisional application, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereof or therefor, together with the right to claim the benefit of priority from said application in all foreign countries in accordance with the International convention, the same to be held and enjoyed by the Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

I further covenant and agree that, at the time of the execution and delivery of these presents, I possess full title to said invention and Application above-mentioned, and that I have the unencumbered right and authority to make this assignment.

I further covenant and agree to promptly communicate to the Assignee or its representatives any facts known to me relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the Assignee, its representatives, successors, or assigns to secure patent or similar protection for said invention in all countries and to vest in the Assignee complete title to said invention and Letters Patent, without further compensation, but at the expense of the Assignee, its successors, assigns, and other legal representatives; and I hereby instruct, and further covenant and agree to bind my heirs, legal representatives, and assigns, to do same, without further compensation, but at the expense of the Assignee or its representatives.

IN WITNESS WHEREOF, I have hereunto set my hand on this 15 day of December, 2016.

ASSIGNMENT

THIS ASSIGNMENT, made by me, **Sakae Obara**, a citizen of Japan, having a mailing address of 53 Hilltop Court, Fort Lee, New Jersey 07024; and

WITNESSETH: That,

WHEREAS, I am a joint inventor of certain and useful improvements in **AQUEOUS ENTERIC COATING COMPOSITION**, for which U.S. Patent Application No. 15/132,627 (the "Application") was filed on April 19, 2016 in the United States Patent and Trademark Office; and

WHEREAS, **Shin-Etsu Chemical Co., Ltd.**, a Japanese organization, having a place of business at 6-1, Otemachi 2-chome, Chiyoda-ku, Tokyo, Japan 100-0004 (the "Assignee"), is desirous of acquiring the entire right, title, and interest in and to said invention as described in the Application, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, to whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold and by these presents do hereby sell, assign, transfer, and convey unto the Assignee, its successors and assigns, the entire right, title, and interest in and to said invention and Application, and in and to any and all subsequent patent applications which claim the benefit of priority from said Application including regular utility, continuations, and continuations-in-part, or divisions thereof, and in and to any all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted for the invention in or on applications claiming the benefit of priority from said provisional application, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereof or therefor, together with the right to claim the benefit of priority from said application in all foreign countries in accordance with the International convention, the same to be held and enjoyed by the Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

I further covenant and agree that, at the time of the execution and delivery of these presents, I possess full title to said invention and Application above-mentioned, and that I have the unencumbered right and authority to make this assignment.

I further covenant and agree to promptly communicate to the Assignee or its representatives any facts known to me relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the Assignee, its representatives, successors, or assigns to secure patent or similar protection for said invention in all countries and to vest in the Assignee complete title to said invention and Letters Patent, without further compensation, but at the expense of the Assignee, its successors, assigns, and other legal representatives; and I hereby instruct, and further covenant and agree to bind my heirs, legal representatives, and assigns, to do same, without further compensation, but at the expense of the Assignee or its representatives.

IN WITNESS WHEREOF, I have hereunto set my hand on this 22nd day of December, 2016.
