In re Design Patent of:  
Unger Marketing International, LLC

US Design Patent No.: D809,727

Confirmation No.: 4140

Issued: February 6, 2018

Art Unit: 2911

For: CLEANING BUCKET

Examiner: R. V. Webster

**DECLARATION TO CORRECT ERRONEOUS RECORDATION OF ASSIGNMENT**

Dear Commissioner:

I, Dave S. Christensen, pursuant to the requirements of 37 C.F.R. § 323.01(c), hereby declare that the following is true and correct.

1. I am an attorney with the firm McCarter & English, LLP, of Boston, Massachusetts. I have represented Unger Marketing International, LLC in intellectual property matters for over six years. As such, I am personally familiar with the portfolio of Unger Marketing International, LLC, more specifically US Design Patent No. D809,727. Further, I have personally confirmed with both Unger Marketing International, LLC and Inventor Joseph K Patterson that Unger Marketing International, LLC is the rightful owner of US Design Patent No. D809,727.

2. On April 11, 2014, Inventor Joseph K Patterson duly signed the Combined Declaration and Assignment Under 37 C.F.R. §1.63. Exhibit A.

3. On April 15, 2014, Inventor Bernard Leon Bensussan duly signed the Combined Declaration and Assignment Under 37 C.F.R. §1.63. Exhibit A.

4. On May 4, 2014, Inventor Raymond E. Clepper duly signed the Combined Declaration and Assignment Under 37 C.F.R. §1.63. Exhibit A.

5. On July 10, 2014, Applicant's representative Edward L. McMahon submitted the Executed Combined Declaration and Assignment with the United States and Patent Office Patent Assignment Division under EPAS ID No. PAT2932262. Exhibit A.

6. On July 10, 2014, the Executed Combined Declaration and Assignment was subsequently recorded with the United States and Patent Office Patent Assignment Division at Reel 033281 and Frame 0959. Exhibit A.

7. It has come to my attention that, due to a clerical and filing error, an Assignment was erroneously recorded on April 14, 2014 against US Design Patent No. D809,727 from Assignor Maria George to Assignee Zipanga LLC at Reel 032670 and Frame 0083. Exhibit B.

8. Applicants believe that there was a clerical error in the executed Assignment as well as the recorded Assignment. As evidenced by US Design Patent No. D708,870, issued July 15, 2014 and the application title listed on the Assignment, Beach Towel with Pockets and the filing date of January 27, 2014, the correct United States Design Application should have been listed and recorded as 29/480,520 (Exhibit C) and not the present United States Design Application No. 29/480,620 for Cleaning Bucket, filed on January 28, 2014, now patented US Design Patent No. D809,727.

9. Further, I attempted to contact Ms. George regarding the error in the Assignment she executed with no response. Based on information I received subsequent to the attempts to contact her, I believe she is deceased.

10. In view of the foregoing, I submit this Declaration for purposes of having the chain of title for U.S. Design Patent No. D809,727 reflect that the Assignment of Assignors Interest recorded on April 14, 2014 at Reel 032670 and Frame 0083, was filed and recorded in error and should be removed from the official record.

[Remainder of Page is Blank – Declaration and Signature Page Follows]

I declare that, to the best of my knowledge and belief, the information herein true and complete. I understand this statement is made for use as evidence in court and is subject to penalty for perjury.

Dated: October 23, 2023

Respectfully submitted,

Electronic signature: /D. S. Christensen Reg. No. 40955/

**COMBINED DECLARATION AND ASSIGNMENT UNDER 37 C.F.R. §1.63 FOR  
UTILITY OR DESIGN PATENT APPLICATION USING AN APPLICATION DATA SHEET**

OGRP Rev. No. A1A/01a

This Declaration and Assignment, when present, are directed to:

Title of Invention: CLEANING BUCKET

Attorney Docket No.: 1331.132USD

The specification of which is attached hereto, or

United States application or PCT international application number  
29/480,620 filed on January 28, 2014.

I hereby authorize and request the delegated attorneys or agents or those of the Assignee, if any, to insert above the application number and filing date of the above-identified application when known.

**Declaration:** In accordance with the requirements under 35 U.S.C §115, as a below named inventor, I hereby declare that:

- The above-identified application was made or authorized to be made by me.
- I have reviewed and understand the contents of the above-identified application, including the claims, as required by 37 C.F.R. §1.63.
- I believe that I am the original inventor when only one inventor is named below or an original joint inventor when more than one inventor is named below of a claimed invention in the above-identified application.
- I am aware of the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to the patentability of the above-identified application as defined in 37 C.F.R. §1.56.
- I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. §1001 by fine or imprisonment of not more than five (5) years, or both.

**COMBINED DECLARATION AND ASSIGNMENT UNDER 37 C.F.R. §1.63 (CONTINUED)**

**Assignment:**

- The above-identified application is not subject to an assignment, or
- The above-identified application is subject to the following assignment.

Whereas, Unger Marketing International, LLC, a corporation of Delaware having a place of business at 425 Asylum Street, Bridgeport, CT 06610 (the "Assignee"), desires to acquire, and each undersigned inventor desires to grant and hereby grants to the Assignee, the entire worldwide right, title, and interest in and to the above-identified application and in and to any and all patent applications and patents directed thereto.

Now, therefore, for good and valuable consideration, the receipt and sufficiency thereof being hereby acknowledged, each undersigned inventor hereby sells or has sold, assigns or has assigned, and otherwise transfers or has transferred to the Assignee, its successors, legal representatives, and assigns, the entire worldwide right, title, and interest in and to the Invention, the above-identified United States patent application, and any and all other patent applications and patents for the above-identified application that may be applied for or granted therefore in the United States and in all foreign countries and jurisdictions, including all divisions, continuations, reissues, reexaminations, renewals, extensions, counterparts, substitutes, and extensions thereof, and all rights of priority resulting from the filing of such applications and granting of such patents.

In addition, each undersigned inventor hereby authorizes and requests the Director of the United States Patent and Trademark Office to issue any United States Patent, and foreign patent authorities to issue any foreign patent, granted for the Invention, to the Assignee, its successors, legal representatives, and assigns, the entire worldwide right, title, and interest in and to the same to be held and enjoyed by the Assignee, its successors, legal representatives, and assigns to the full end of the terms for which any and all such patents may be granted, as fully and entirely as would have been held and enjoyed by the undersigned had this Assignment not been made; and each undersigned inventor agrees to execute any and all documents and instruments and perform all lawful acts reasonably related to recording this Assignment or perfecting title to the above-identified application and all related patents and applications, in the Assignee, its successors, legal representatives, and assigns, whenever requested by the Assignee, its successors, legal representatives, or assigns.

Each undersigned inventor acknowledges his or her obligations to sell, assign, and transfer the rights under this Assignment to the Assignee and is unaware of any reason why he or she may not have the full and unencumbered right to sell, assign, and transfer the rights hereby sold, assigned, and transferred, and has not executed, and will not execute, any document or instrument in conflict herewith.

- The above-identified application is not subject to an assignment, or
- The above-identified application is subject to the following assignment.

Whereas, Unger Marketing International, LLC, a corporation of Delaware having a place of business at 425 Asylum Street, Bridgeport, CT 06610 (the "Assignee"), desires to acquire, and each undersigned inventor desires to grant and hereby grants to the Assignee, the entire worldwide right, title, and interest in and to the above-identified application and in and to any and all patent applications and patents directed thereto.

Now, therefore, for good and valuable consideration, the receipt and sufficiency thereof being hereby acknowledged, each undersigned inventor hereby sells or has sold, assigns or has assigned, and otherwise transfers or has transferred to the Assignee, its successors, legal representatives, and assigns, the entire worldwide right, title, and interest in and to the Invention, the above-identified United States patent application, and any and all other patent applications and patents for the above-identified application that may be applied for or granted therefore in the United States and in all foreign countries and jurisdictions, including all divisions, continuations, reissues, reexaminations, renewals, extensions, counterparts, substitutes, and extensions thereof, and all rights of priority resulting from the filing of such applications and granting of such patents.

In addition, each undersigned inventor hereby authorizes and requests the Director of the United States Patent and Trademark Office to issue any United States Patent, and foreign patent authorities to issue any foreign patent, granted for the Invention, to the Assignee, its successors, legal representatives, and assigns, the entire worldwide right, title, and interest in and to the same to be held and enjoyed by the Assignee, its successors, legal representatives, and assigns to the full end of the terms for which any and all such patents may be granted, as fully and entirely as would have been held and enjoyed by the undersigned had this Assignment not been made; and each undersigned inventor agrees to execute any and all documents and instruments and perform all lawful acts reasonably related to recording this Assignment or perfecting title to the above-identified application and all related patents and applications, in the Assignee, its successors, legal representatives, and assigns, whenever requested by the Assignee, its successors, legal representatives, or assigns.

Each undersigned inventor acknowledges his or her obligations to sell, assign, and transfer the rights under this Assignment to the Assignee and is unaware of any reason why he or she may not have the full and unencumbered right to sell, assign, and transfer the rights hereby sold, assigned, and transferred, and has not executed, and will not execute, any document or instrument in conflict herewith.

## PATENT ASSIGNMENT AGREEMENT

**Whereas**, Maria George (the "Assignor") an individual, and having a place of residence at 9715 Woods Drive #803, is the owner of the entire right, title and interest in, and to

United States Letters Patent Application Serial No. 29/467,690 entitled "Towel with Pockets," filing date September 22, 2013 and of the invention therein described;

United States Letters Patent Application Serial No. 29/480,506 entitled "Bath Towel with Pockets," filing date January 27, 2014 and of the invention therein described: and

United States Letters Patent Application Serial No. 29/480,620 entitled "Beach Towel with Pockets," filing date January 27, 2014 and of the invention therein described

**Whereas**, Zipanga LLC, (the "Company") a limited liability company organized and existing under the laws of the State of Illinois, United States of America, and having a place of business at 9715 Woods Drive #803, Skokie, Illinois, 60077 is desirous of obtaining the entire right, title and interest in, to and under such patent applications, and such inventions.

**Now, therefore**, in consideration of the sum of \$1.00 to Assignor in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over, unto Company, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the invention, including the right to sue for past infringement, and all patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which have already been and which may hereafter be filed for the invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from the patent under the patent laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and

**Assignor Hereby** authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States, whose duty it is to issue patents to issue the same to Company, its successors, legal representatives and assigns, in accordance with the terms of this instrument; and

**Assignor Hereby** covenants and agrees that it has the full right to convey the entire interest herein assigned, and that Assignor has not executed, and will not execute, any agreement in conflict herewith; and

**Assignor Hereby** further covenants and agrees that Assignor will communicate to Company, its successors, legal representatives and assigns, any material facts known to Assignor respecting the invention, and generally do everything possible to aid Company, its successors, legal representatives and assigns, to obtain and enforce proper protection for the invention in all countries.

IN WITNESS AND IN TESTIMONY WHEREOF, I, hereunto set my hand and seal this 04/14/2014
