ASSIGNMENT BY INVENTORS

THIS ASSIGNMENT, made by Murtuza Lokhandwalla; Brandon P. Williams; Todd Haugsjaahabink; Charles E. Reuter; Jason A. Ryon; Kevin Gibbons; and Jesse C. Peters (hereinafter referred to as Assignors), residing at 139 Frazer Fir Road, South Windsor, Connecticut 06074; 9640 Valley Parkway, Johnston, Iowa 50131; 138 Abbott St, Springfield, Massachusetts 01118; 6 Sunny Heights, Granby, Connecticut 06035; 189 E School St, Carlisle, Iowa 50047; 2095 Torrington West Street, Torrington, Connecticut 06790; and 31 Holcomb Hill Rd, Windsor, Connecticut 06095, respectively;

WHEREAS, Assignors have invented certain new and useful improvements in VARIABLE RESTRICTION OF FUEL NOZZLE WITH AN AUXILIARY CIRCUIT, set forth in a Patent application for Letters Patent of the United States, already filed on August 26, 2022 as U.S. Application No. 17/896,773, and

WHEREAS, Hamilton Sundstrand Corporation, a Corporation organized under and pursuant to the laws of Delaware having its principal place of business at 2730 West Tyvola Road, Four Coliseum Centre, Charlotte, North Carolina 28217 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said inventions and said Application for Letters Patent of the United States, and in and to any Letters Patent of the United States to be obtained therefore and thereon.

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions and application for Letters Patent, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefor and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

AND for the same consideration, Assignors hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owners of the entire right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignors hereby covenant and agree to and with Assignee, its successors, legal representatives and assigns that: Assignors will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise; that any proceeding in connection with said inventions, or said Patent application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; and, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby authorizes and agrees that Assignee can pursue any and all claims that are enabled by any patent application associated with the invention or inventions.

AND Assignors hereby request the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignors hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

ASSIGNMENT BY INVENTORS

THIS ASSIGNMENT, made by Murtuza Lokhandwalla; Brandon P. Williams; Todd Haugsjaahabink; Charles E. Reuter; Jason A. Ryon; Kevin Gibbons; and Jesse C. Peters (hereinafter referred to as Assignors), residing at 139 Frazer Fir Road, South Windsor, Connecticut 06074; 9640 Valley Parkway, Johnston, Iowa 50131; 138 Abbott St, Springfield, Massachusetts 01118; 6 Sunny Heights, Granby, Connecticut 06035; 189 E School St, Carlisle, Iowa 50047; 2095 Torrington West Street, Torrington, Connecticut 06790; and 31 Holcomb Hill Rd, Windsor, Connecticut 06095, respectively;

WHEREAS, Assignors have invented certain new and useful improvements in VARIABLE RESTRICTION OF FUEL NOZZLE WITH AN AUXILIARY CIRCUIT, set forth in a Patent application for Letters Patent of the United States, already filed on August 26, 2022 as U.S. Application No. 17/896,773, and

WHEREAS, Hamilton Sundstrand Corporation, a Corporation organized under and pursuant to the laws of Delaware having its principal place of business at 2730 West Tyvola Road, Four Coliseum Centre, Charlotte, North Carolina 28217 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said inventions and said Application for Letters Patent of the United States, and in and to any Letters Patent of the United States to be obtained therefore and thereon.

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions and application for Letters Patent, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefor and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

AND for the same consideration, Assignors hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owners of the entire right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignors hereby covenant and agree to and with Assignee, its successors, legal representatives and assigns that: Assignors will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise; that any proceeding in connection with said inventions, or said Patent application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; and, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby authorizes and agrees that Assignee can pursue any and all claims that are enabled by any patent application associated with the invention or inventions.

AND Assignors hereby request the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignors hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
