Patent Assignment

WHEREAS, **Biogenic Reagents Ventures, LLC**, a Delaware limited liability company having its main place of business at 133 First Avenue N., Minneapolis, MN 55401 (hereafter referred to as the "ASSIGNOR"), owns the patents and patent applications listed in Schedule A (hereafter referred to as the "Patents"), which is attached hereto and incorporated herein by reference, and the inventions disclosed therein; and

WHEREAS, **Carbon Technology Holdings, LLC**, a Delaware limited liability company having its main place of business at c/o Sandton Capital Partners, LLC, 16 West 46th Street, Floor 11, New York, NY 10036 (hereafter referred to as the "ASSIGNEE"), is entitled, by virtue of a prior agreement between the parties, to a complete and absolute assignment of the entire right, title and interest in, to and under said Patents and inventions;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor has sold, assigned and transferred, and does hereby sell, assign, and transfer unto the said Assignee, its successors, legal representatives and assigns, the entire right, title and interest in, to and under said Patents and inventions, and all patent applications claiming priority to the same, and all divisionals, renewals, continuations, and continuations-in-part thereof, and all Letters Patent of the United States which may be granted thereon and all reissues, reexaminations, and extensions thereof, and all priority rights under all available international agreements, treaties and conventions for the protection of intellectual property in its various forms in every participating country, and all applications for Letters Patent or other grants of protection of proprietary rights including, but not limited to, inventor's certificate, utility model, utility certificate, patent of importation, registration of patent and industrial design registration which have been or may be filed, and which may be granted, for said inventions in the United States and any countries or regions foreign to the United States, and all reissues, reexaminations, renewals and extensions thereof; and Assignor hereby authorizes and requests the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other forms of protection on applications as aforesaid, to issue all Letters Patent and other forms of protection for said inventions to said Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

Assignor HEREBY covenants that it has full right to convey the entire interest herein assigned, and that Assignor has not executed, and will not execute, any agreement in conflict herewith.

Assignor HEREBY further covenants and agrees that Assignor will communicate to said Assignee, its successors, legal representatives and assigns, any facts known to Assignor respecting said inventions, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and generally do everything possible to aid said Assignee, its successors, legal representatives and assigns, at their expense but for no further consideration to Assignor, to obtain and enforce proper patent protection and other forms of proprietary protection for said inventions in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal this 6 day of June, 2017.

ASSIGNOR:

Biogenic Reagents Ventures, LLC

By: [Signature]

Name: JAMES MENNELL

Title: CEO

STATE OF MN §
COUNTY OF Anoka §

On this 6th day of June, 2017, before me, a Notary Public in and for the State and County aforesaid, personally appeared James Mennell, in his/her capacity as CEO of BIOGENIC REAGENTS VENTURES, LLC, known to me to be the person of that name, who signed and sealed the foregoing instrument, and he/she acknowledged the same to be his/her free act and deed on behalf of said Assignor.

Cynthia J. Gruett
Notary Public, State of Minnesota
My Commission Expires: 1/31/20

**SCHEDULE A
TO PATENT ASSIGNMENT
FROM BIOGENIC REAGENTS VENTURES, LLC
TO CARBON TECHNOLOGY HOLDINGS, LLC**
