NOTICE AND CONFIRMATION OF GRANT OF  
SECURITY INTEREST IN PATENTS

NOTICE AND CONFIRMATION OF GRANT OF SECURITY INTEREST IN PATENTS (the “Agreement”), dated as of October 31, 2023, made by each of the entities listed on Schedule I hereto, each having a principal place of business listed on Schedule I hereto (each a “Grantor”), in favor of BLUE OWL CAPITAL CORPORATION, a Maryland corporation, having a principal place of business at 399 Park Avenue, 37th Floor, New York, NY 10022, as collateral agent for the Secured Parties (in such capacity, the “Collateral Agent”). Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Guarantee and Collateral Agreement (as defined below), as applicable.

WHEREAS, pursuant to that certain Credit Agreement, dated as of October 31, 2023 (as amended, supplemented or otherwise modified from time to time, the “Credit Agreement”), among BradyIFS Holdings, LLC (formerly known as Individual FoodService Holdings, LLC), a Delaware limited liability company (the “Borrower”), the Collateral Agent, the several banks and other financial institutions from time to time parties thereto (collectively, the “Lenders”), Blue Owl Capital Corporation, as administrative agent for the Lenders, the Lenders have severally agreed to make Loans and other extensions of credit (collectively, the “Loans”) to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, in connection with the Credit Agreement, the Borrower and certain Subsidiaries of the Borrower have executed and delivered a Guarantee and Collateral Agreement, dated as of October 31, 2023 (as amended, supplemented or otherwise modified from time to time, the “Guarantee and Collateral Agreement”), in favor of the Collateral Agent;

WHEREAS, pursuant to the Guarantee and Collateral Agreement, each Grantor granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in all of its Intellectual Property, including the Patents; and

WHEREAS, each Grantor has duly authorized the execution, delivery and performance of this Agreement.

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make the Loans and other financial accommodations to the Borrower pursuant to the Credit Agreement, each Grantor agrees, for the benefit of the Secured Parties, as follows:

SECTION 1. Confirmation of Grant of Security Interest. Each Grantor hereby confirms that, subject to existing licenses to use the Patents granted by such Grantor in the ordinary course of its business, pursuant to the Guarantee and Collateral Agreement it granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in all of the Patents of such Grantor (including, without limitation, those items listed on Schedule II hereto) and to the extent not otherwise included, all Proceeds and products of any and all of the Patents, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity,

by acceleration or otherwise) of the Obligations of the Borrower, except that no security interest is or will be granted pursuant hereto in any right, title or interest of such Grantor under or in any Patent License for so long as, and to the extent that, the granting of such a security interest pursuant hereto would result in a breach, default or termination of such Patent License.

SECTION 2. Purpose. This Agreement has been executed and delivered by each Grantor for the purpose of recording the grant of security interest with the United States Patent and Trademark Office. This Agreement is expressly subject to the terms and conditions of the Guarantee and Collateral Agreement. The Guarantee and Collateral Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 3. Acknowledgment. Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Patents are more fully set forth in the Credit Agreement and the Guarantee and Collateral Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of a conflict between this Agreement and the Guarantee and Collateral Agreement, the provisions of the Guarantee and Collateral Agreement shall prevail.

SECTION 4. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same instrument.

\* \* \*

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK.]

IN WITNESS WHEREOF, the Grantor has caused this Agreement to be duly executed and delivered by its representative thereunto duly authorized as of the day and year first above written.
