A S S I G N M E N T

WHEREAS, We, Martin Latta, Ulrich Schläpfer, Franck Robin, Michael Baumann, and Helen Wächter Fischer, residing respectively in Zurich, Switzerland, Affoltern am Albis, Switzerland, Lenzburg, Switzerland, Zurich, Switzerland, and Schliern bei Köniz, Switzerland have made an invention entitled:

## FABRIC WITH ELECTRICAL COMPONENTS

and

(1) are about to make an application for United States Letters Patent therefor, the same having been executed by us on even date herewith

OR

(2) have made an application for United States Letters Patent therefor, the same having been filed on ( 3/4/2020 ) under Application No. ( US16809445 ), in connection with which we hereby authorize and request the attorneys associated with Customer Number 65015 to insert within the foregoing parentheses the filing date and Application No. of said application when known; and

WHEREAS, HELBLING TECHNIK AG, a corporation organized and existing under the laws of Switzerland and having an address of Hohlstrasse 614 CH-8048, Zurich, Switzerland, is desirous of acquiring all of our interest in said invention, said United States patent application and in any Letters Patent which may issue thereon;

NOW, THEREFORE, be it known that for and in consideration of the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we do hereby sell, assign and transfer unto the said HELBLING TECHNIK AG, its successors, assigns and legal representatives, all of our right, title and interest in and to said invention and any improvements thereon for all countries of the world, and in and to said United States patent application, including any continuations, continuations-in-part and divisions thereof, and any substitute applications therefor, and including the right to claim priority under the International Convention based on said patent application, and any patent which may issue thereon, and any reissues of the same; and all of our right, title and interest in and to every patent application filed or to be filed on said invention in any other country, including renewals, revivals, continuations and divisions thereof, and any substitute applications therefor, and any and all patents which may issue thereon, and any reissues and extensions of the same;

and we hereby authorize and request competent authorities to grant and issue any and all patents on said invention to the said HELBLING TECHNIK AG as the assignee of said interest therein; and we further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.
