ASSIGNMENT/DECLARATION

Whereas WE, the below named inventors, have made an invention entitled **MOISTURE CURABLE POLYURETHANE HOT MELT ADHESIVE COMPOSITION HAVING LOW LEVELS OF DIISOCYANATE MONOMER** and an application for Letters Patent of the United States of America based thereon was filed on 06/25/2020 and assigned U.S. Patent Application Serial No. 16/912,215.

Now, therefore, for good and valuable consideration, receipt of which is acknowledged, I have agreed to assign and transfer and do hereby assign and transfer unto H.B. Fuller Company, a corporation of Minnesota, having its principal office at 1200 Willow Lake Blvd., Box 64683, St. Paul, Minnesota 55164-0683, USA, its successors and assigns, the entire right, title, and interest in and to the invention and application, and in and to any division or continuation (in whole or in part) of the application, and in and to any and all improvements in the invention made by me or made jointly with others and in and to any and all Letters Patent, reexaminations, reissues, or extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent, Utility Models, or Inventors' Certificates in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted thereon or on any divisional, continuation (in whole or in part), renewal, reexamination, reissue, or other or further application based in whole or in part upon the invention or improvements thereon, to be held and enjoyed as fully and exclusively as they would have been by me had this assignment and transfer not been made,

I do further agree for myself and for my heirs, executors, and administrators, to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such other acts as I lawfully may, that may be deemed necessary by H.B. Fuller Company, its successors, assigns, and nominees, fully to secure its right, title, and interest as aforesaid and to obtain or maintain Letters Patent, Utility Models, or Inventors' Certificates in any and all countries;

And I do hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent that may be granted upon any of the said applications to H.B. Fuller Company as the assignee of the entire right, title, and interest therein.

I believe I am the original inventor or joint inventor of the invention claimed in the application.

This application is made, or is authorized to be made, by me.

I have reviewed and understand the contents of the application, including the claims.

I hereby acknowledge my duty to disclose to the Patent and Trademark Office all information known to me to be material to the patentability as defined in Title 37, Code of Federal Regulations, §1.56.

I hereby acknowledge that any willful false statement made herein is punishable under 18 U.S.C. §1001 by fine or imprisonment of not more than five (5) years, or both.

In witness whereof, I have hereunto signed my name on the day and year set forth below.
