**TERMINATION AND RELEASE OF SECURITY INTEREST  
IN PATENTS**

TERMINATION AND RELEASE OF SECURITY INTEREST IN PATENTS (this “Agreement”) dated as of November 3, 2023, from Webster Bank, N.A., as agent (the “Agent”), in favor of Emilcott Associates, Inc., Triumvirate Environmental, Inc., and Return Logistics International Corporation (collectively, the “Grantors”).

**WITNESSETH:**

WHEREAS, in connection with the Notice of Grant of Security Interests in Patents, dated as of March 17, 2023 (the “Notice”), the Agent was granted a continuing security interest in and continuing lien upon the patents and patent applications shown on Schedule 1 to the Notice from the Grantors (all capitalized terms used herein, but not otherwise defined herein, shall have the meanings set forth or referenced in the Notice);

WHEREAS, the Notice was recorded in the Patent Assignment Division of the United States Patent and Trademark Office (the “USPTO”) on March 17, 2023 at Reel 063022, Frame 0097; and

WHEREAS, the Agent now wishes to release its liens on, and security interests in, the patents and patent applications set forth on Schedule A attached hereto, including any Letters Patent which may be granted therefor, in the United States and its territorial possessions and in any and all foreign countries, and including any and all divisions, continuations, continuations-in-part, substitutions, renewals, re-examination, extension and reissues thereof, and any other applications claiming priority thereto, including future inventions or improvements.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, and upon the terms set forth in this Agreement, the Agent hereby states as follows:

1. Release of Security Interest. The Agent and their respective successors, indorsees, transferees and assigns, hereby terminates the Notice and terminates, irrevocably releases and fully discharges all of its security interest and lien in, to and on the patents and patent applications, including any Letters Patent which may be granted therefor, in the United States and its territorial possessions and in any and all foreign countries, and including any and all divisions, continuations, continuations-in-part, substitutions, renewals, re-examination, extension and reissues thereof, and any other applications claiming priority thereto, including future inventions or improvements, and reassigns, re-transfers, and re-conveys any and all right, title and interest that it may have in or to the patents and patent applications to the Grantor, including any Letters Patent which may be granted therefor, in the United States and its territorial possessions and in any and all foreign countries, and including any and all divisions, continuations, continuations-in-part, substitutions, renewals, re-examination, extension and reissues thereof, and any other applications claiming priority thereto, including future inventions or improvements.

2. Recordation. The Grantors or their authorized agent is authorized to record this Agreement with the USPTO.

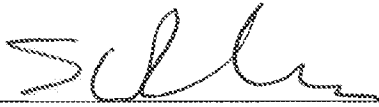

3. Further Assurances. The Agent shall take all further actions, and provide to the Grantors and their successors, assigns or other legal representatives, such cooperation and assistance (including, without limitation, the execution and delivery of any documents or other instruments), reasonably requested by the Grantors, and at the Grantors’ cost and expense, to more fully and effectively effectuate the release of liens and security interests contemplated hereby.
