NOTICE OF GRANT OF  
SECURITY INTEREST IN PATENTS

United States Patent and Trademark Office

Ladies and Gentlemen:

Please be advised that, pursuant to the Guaranty, Pledge and Security Agreement, dated as of December 15, 2014 (as the same may be amended, modified, restated or supplemented from time to time, the "Agreement"), among the undersigned and each of the other Grantors from time to time party thereto (each, a "Grantor" and, collectively, the "Grantors") and Wilmington Trust, National Association, as agent for the Secured Parties referenced therein (in such capacity, together with any successor, the "Administrative Agent"), the undersigned Grantor has granted a continuing security interest in and continuing lien upon the patents and patent applications shown on Schedule 1 attached hereto to the Administrative Agent, for the benefit of the Secured Parties.

The undersigned Grantors and the Administrative Agent, on behalf of the Secured Parties, hereby acknowledge and agree that the security interest in the patents and patent applications set forth on Schedule 1 attached hereto (i) may only be terminated in accordance with the terms of the Agreement and (ii) is not to be construed as an assignment of any patent or patent application.

This Notice of Grant of Security Interest in Patents may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute one and the same contract. Delivery of an executed counterpart of a signature page of this Notice of Grant of Security Interest in Patents by telecopy, facsimile, as an attachment to an email or other similar electronic means shall be effective as delivery of a manually executed counterpart of this Notice of Grant of Security Interest in Patents.
