INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (this “Assignment”), effective as of November 8, 2023 (the “Effective Date”), is by and among Instant Brands Acquisition Holdings Inc., a Delaware company (“Assignor”), each of the Subsidiaries of Seller listed on the signature pages hereto (together with Assignor, the “Assignor Entities”) and IB Appliances US Holdings, LLC, a Delaware limited liability company (“Assignee”).

WITNESSETH:

WHEREAS, pursuant to the terms and conditions of the Asset Purchase Agreement dated September 27, 2023 among Assignee and the Assignor Entities (the “Asset Purchase Agreement”), the Assignor Entities desire to sell, convey, transfer, assign and deliver to Assignee all of the Assignor Entities’ right, title and interest in, to and under the Owned Intellectual Property, including the Intellectual Property set forth on Exhibit I hereto (the “Assigned IP”), and Assignee desires to acquire and accept all of the Assignor Entities’ entire right, title and interest in, to and under such Assigned IP.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and as more fully set forth in the Asset Purchase Agreement and subject to the terms and conditions therein, the parties hereto, intending to be legally bound, hereby agree as follows:

1. Unless otherwise defined herein, all capitalized terms used herein shall have the meanings ascribed to such terms in the Asset Purchase Agreement.
2. The Assignor Entities hereby sell, convey, transfer, assign and deliver to Assignee, and Assignee does hereby acquire and accept, all of the Assignor Entities’ right, title and interest in, to and under the Assigned IP throughout the world and all rights corresponding thereto, together with all goodwill associated therewith and all income, royalties or payments now or hereafter due or payable in relation to the Assigned IP, and all benefits, privileges, causes of action, common law rights, and remedies relating thereto throughout the world.
3. The parties hereto acknowledge and agree that the representations, warranties, covenants, indemnities, limitations and other terms contained in the Asset Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the fullest extent provided therein. In the event of any conflict or inconsistency between the terms of the Asset Purchase Agreement and the terms hereof, the terms of the Asset Purchase Agreement shall govern.
4. Upon the reasonable written request by Assignee, the Assignor Entities shall execute all documents and take all actions as may be necessary to enable Assignee to perfect, enforce, defend, register and/or record its right, title and interest in, to and under the Assigned IP, in each case, without further compensation from, but at the sole expense of, Assignee.

5. The Assignor Entities hereby authorize and request the officials of the United States Copyright Office and the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign jurisdiction, to record and register Assignee as assignee and owner of entire right, title and interest in, to and under the Assigned IP.

6. Section 13.09 (*Governing Law; Consent to Jurisdiction; Jury Trial Waiver*) of the Asset Purchase Agreement is hereby incorporated herein by reference, *mutatis mutandis*, as if set forth in full herein.

7. This Assignment is binding upon, and inures to the benefit of, the parties hereto and their respective legal representatives, successors and assigns. No waiver, modification or change of any provision of this Assignment shall be valid unless in writing and signed by the party against whom such claimed waiver, modification or change is sought to be enforced.

8. This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Assignment delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Assignment.

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, the parties hereto, through their authorized representatives, have caused this Assignment to be duly executed and delivered as of the Effective Date.
