### CONFIRMATORY ASSIGNMENT

WHEREAS, as of the respective assignment date identified in the attached Schedule A, **Gisela M. Vaitaitis**, a natural person of residence listed in the signature block (the "Assignor"), was the owner of the patent(s) and application(s) identified in the attached Schedule A (the "Patent(s)"); and

WHEREAS, as of the respective assignment date identified in the attached Schedule A, **THE REGENTS OF THE UNIVERSITY OF COLORADO**, a body corporate, for and on behalf of the University of Colorado Anschutz Medical Campus, a public institution of higher education created under the Constitution and the Law of the State of Colorado, having administrative offices at 1890 N. Revere Ct, Suite 6202, Aurora, CO, 80045 (the "Assignee") was desirous of acquiring the Patent(s) and related invention(s) thereof;

NOW, THEREFORE, Assignor confirms, that effective as of the respective assignment date identified in the attached Schedule A, for good and valuable consideration, the receipt of which was acknowledged and is hereby confirmed, the Assignor sold, assigned, and transferred unto said Assignee and Assignee's successors and assigns, all title and interest in and to the Patent(s), and the invention(s) disclosed and claimed therein, and any Letters Patent which may thereafter be granted on the same in the United States and all countries throughout the world including any reissues, divisions, renewals, continuations in whole or in part, substitutions, conversions, reexaminations, prolongations, provisionals or extensions thereof, as well as rights to any and all existing causes of action and the right to past damages associated therewith, and all rights under the Paris Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and behalf and the use and behalf of its successors, legal representatives, and assigns, to the full end of the term or terms for which Letters Patent or Patent(s) may be granted as fully and entirely as the same would have been held and enjoyed by Assignor had the sale and assignment not been made.

Assignor hereby further confirms that Assignee was granted the right to update the bibliographic information found in the attached Schedule A from time to time, including but not limited to adding the patent application numbers and patent numbers those filings that fall under the scope of the above grant, such that this Agreement can be recorded with the respective global patent offices and ministries.

Assignee hereby grants a limited power of attorney for the purpose of recording this Assignment in the United States and all other countries throughout the world to the practitioners listed on the power of attorney attached herewith and further grant the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office or any other patent office worldwide for recordation of this document.

IN WITNESS THEREOF, Assignor, by its duly authorized officer, has executed this Confirmatory Assignment in Aurora, CO USA as of this 21 day of July 2023.
