ASSIGNMENT

This Assignment is entered into on the day of execution (below) and effective as of January 1, 2021, by MARTHA ELIZABETH HIGHTOWER BAKER, Independent Executrix of the Estate of DEAN MILTON BAKER (hereinafter referred to as the "Assignor") who hereby GIVES, GRANTS, CONVEYS, TRANSFERS, ASSIGNS and SETS OVER all of Assignor's interest in the Inventions, applications, patents, and property identified below and /or in or arising from the Patent Documents listed in Table A below (hereinafter referred to as the "Property"), to MARTHA ELIZABETH HIGHTOWER BAKER, individually, (hereinafter referred to as the "Assignee").

WHEREAS, Invention(s) refers to any patentable invention adequately described and supported in any of the Patent Documents, and available for patent prosecution in an applicable jurisdiction; and

WHEREAS DEAN MILTON BAKER, through his last Will and Testament appointed Martha Elizabeth Hightower Baker as Independent Executrix of his Will and of his Estate, and further, did give, devise, and bequeath (or so intended) his residuary estate, including the Property to Assignee;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over unto Assignee, its successors, legal representatives and assigns, his (Assignor's) entire right, title and interest in and to:

(a) all rights in and of the Patent Documents provided in Table A below, including all applicable inventions (Inventions) and all intellectual property described therein and/or arising therefrom, and all worldwide rights associated therewith;

(c) in respect to each Patent Document, any United States or corresponding foreign, regional (including any patent application filed with the European Patent Office) or international patent application claiming or applied for (now or in the future) the

Inventions, or claiming priority to, or the benefit of the filing date of, (now or in the future) the Invention or any corresponding U.S., foreign, regional, or international application (including any PCT applications) directed to the Inventions, including all divisions, continuations, continuations-in-part and substitutions thereof; and

(d) any and all United States and foreign patents which shall issue on said Invention or from any of the above-identified applications (a) -- (c) and Table A including all reissues, reexaminations, renewals, divisions, continuations, and extensions thereof, for the United States, its territories and possessions and all foreign countries, including the right to file applications for Letters Patent on said Invention in any and all foreign countries and any other patent office, the same to be held and enjoyed by said ASSIGNEE, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by Assignor, had this Assignment and sale not been made; and further, do sell, assign, transfer and set over unto Assignee, its successors, legal representatives and assigns, the right, authority, and/or permission to: claim priority to, or from, any Provisional Application identified hereabove (e.g., claim the benefit of the filing date under the Paris Convention) or any other application identified herein, file any of the applications identified herein in any patent office (or equal) in the world or jurisdiction, be granted any patent (or similar rights) arising from, or issued on, any of the applications so identified and/or to be granted any patent (or similar rights) identified herein, in any patent office in the world or jurisdiction.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that each Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letter Patent for said Invention, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said Invention, or said Utility Application, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said Invention in any country, including but not limited to interference proceedings, is lawful and desirable;

or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the Commissioner of Patent and Trademarks to issue (and any equivalent authority in the world in respect to any Patent identified above) said Letters Patent of the United States to Assignee, as Assignee of said Invention and the Letters Patent to be issued thereon, for the use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office and any other Patent Office in foreign and other jurisdictions, for recordation of this document and:
