INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (this “**Assignment**”), dated as of June 20, 2023 (the “**Effective Date**”), is entered into by and among Spectrum Brands, Inc., a Delaware corporation (the “**Seller**”), and Spectrum Brands de Mexico S.A. de C.V. (collectively with the Seller, the “**Assignor**”) and ASSA ABLOY Americas Residential Inc., a Delaware corporation (“**Assignee**”). Assignor and Assignee may be referred to herein individually as a “**Party**” and collectively as the “**Parties**.” Capitalized terms used but not defined in this Assignment shall have the respective meanings ascribed to them in that certain Asset and Stock Purchase Agreement by and between the Seller and ASSA ABLOY AB, an *aktiebolag* duly incorporated under the laws of Sweden with corporate identity number 556059-3575 (“**Buyer**”), dated as of September 8, 2021 (as may be amended, restated, supplemented or otherwise modified from time to time, the “**Purchase Agreement**”).

WITNESSETH:

WHEREAS, pursuant to the terms and subject to the conditions of the Purchase Agreement, Seller has agreed to sell, or cause to be sold, the Transferred Intellectual Property to Buyer and Buyer has agreed to purchase from Seller the Transferred Intellectual Property, including the Trademarks set forth on Schedule A (the “**Assigned Trademarks**”), and the Patents set forth on Schedule B (the “**Assigned Patents**” and together with the Assigned Trademarks, the “**Assigned IP**”); and

WHEREAS, in connection with the transactions contemplated by the Purchase Agreement, Assignor desires to assign to Assignee, and Assignee desires to acquire from Assignor, all of Assignor’s right, title and interest in and to the Assigned IP.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and as more fully set forth in the Purchase Agreement and subject to the terms and conditions therein, the Parties, intending to be legally bound, hereby agree as follows:

1. Assignor hereby assigns, conveys, delivers and transfers to Assignee all of Assignor’s right, title and interest in and to (i) the Assigned IP, together with all goodwill associated therewith, in each case to be held and enjoyed by Assignee for its own use and enjoyment as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made, and (ii) all rights to sue, claim and recover for past, present and future infringement or other violations of any Assigned IP.

2. Notwithstanding anything in this Assignment to the contrary, Assignee acknowledges and agrees that the only representations and warranties given by Assignor with respect to the Assigned IP are set forth in the Purchase Agreement.

3. Assignor agrees to sign all necessary papers and perform all lawful acts reasonably requested by Assignee to give effect to and record the assignment to Assignee under this

Assignment, without further compensation, but at the sole cost and expense of Assignee or its successors and assigns.

4. This Agreement is being executed and delivered pursuant to, and is subject to and shall be governed by the terms and conditions of, the Purchase Agreement. Nothing in this Agreement is intended to or shall be deemed to amend, modify, supplement, or limit in any manner any of the representations, warranties, covenants, agreements, rights, or obligations of Seller and Buyer under the Purchase Agreement. In the event of any conflict between the terms and conditions of this Agreement and the terms and conditions of the Purchase Agreement, the terms and conditions of the Purchase Agreement shall control. Seller shall have no liability hereunder.

5. This Assignment shall be governed by and construed in accordance with the law of the State of Delaware, without regard to the conflicts of law rules of such state. This Assignment is binding upon, and inures to the benefit of, the Parties and their respective successors and assigns. No waiver, modification or amendment of any provision of this Assignment shall be valid unless in writing and signed by the Party against whom such claimed waiver, modification or amendment is sought to be enforced.

6. This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement.

[The remainder of this page has been intentionally left blank; Signature page follows.]

IN WITNESS WHEREOF, the Parties have caused this Assignment to be duly executed by their respective authorized officers as of the Effective Date.
