## **CONFIRMATORY ASSIGNMENT**

**WHEREAS**, NXTSENS MICROSYSTEMS INC., whose full postal address is 200-85, Saint-Paul Street West, Montreal, Québec, H2Y 3V4, Canada, hereinafter referred to as the “Assignor”, owns the following patent and patent application and including any and all inventions defined therein, hereinafter referred to as the “Patents”:

Title	Country	Application #	Filing Date
Methods and devices for microelectromechanical resonators	US	14/790,220 (US10,291,200)	2 July 2015
Methods and devices for microelectromechanical resonators	US	16/369,757	29 March 2019

**AND WHEREAS**, STATHERA IP HOLDINGS INC., whose full post office address is 200-85, Saint-Paul Street West, Montreal, Québec, H2Y 3V4, Canada, hereinafter referred to as the “Assignee”, is desirous of confirming acquisition, as set out in the Transfer Agreement dated December 6, 2019, of the entire right, title, and interest in and to the Patents inclusive of any continuations or divisions thereof and all priority rights derived therefrom under the Paris Convention for the Protection of Industrial Property, the European Patent Convention, the treaties of the WTO or any bilateral or multilateral convention establishing such priority right, for any and all countries in the world, and in and to any and all corresponding patent applications and any continuations or divisions thereof filed in any and all countries in the world, and in and to any and all patents issuing in any and all countries of the world, to be granted based on the Patents or on corresponding patent applications and patents;

**NOW, THEREFORE**, in consideration of the sum of ten Canadian dollars (\$10.00), and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor hereby confirms having sold, assigned and transferred to the Assignee, its successors and assigns, their entire right, title, and interest in and to the invention, and in and to the Patent inclusive of any continuations or divisions thereof and all priority rights derived therefrom under the Paris Convention for the Protection of Industrial Property, the European Patent Convention, the treaties of the WTO or any bilateral or multilateral convention establishing such priority right, and in and to any and all corresponding patent applications and any continuations or divisions thereof filed in any and all countries in the world, and in and to any and all patents which may be granted for the invention in any and all countries in the world, and in and to any and all reissues, substitutions, or prolongations thereof; the same to be held and enjoyed by the Assignee for its own use and benefit, and for the use and benefit of its successors and assigns, to the full end of the term or terms for which the patent, or reissues, substitutions or prolongations thereof may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor had no sale, assignment or transfer been made;

**AND** the Assignor hereby agrees, upon request, and without further consideration, but at the expense of the Assignee, to communicate to the Assignee or its representatives or nominees any facts known to them respecting the invention and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths and generally aid the Assignee, its successors, assigns, and nominees to obtain and enforce proper patent protection for the invention in all countries, and the Assignor further agrees to execute any and all further papers which may be necessary or desirable to vest or perfect the title of the Assignee, its successors and assigns, in and to the invention, and in and to any and

all patents, or reissues, substitutions or prolongations thereof, which may be granted for the invention in any and all countries in the world;

**AND** the Assignor hereby authorizes and requests any official whose duty it is to issue patents to issue each and every patent to be granted for the invention in any and all countries, and each and every reissue, substitution or prolongation of such patent, to the Assignee, its successors and assigns;

**AND** the Assignor hereby authorizes the firm of BCF LLP whose full post office address is 1100, René-Lévesque West, Suite 2500, Montreal, Quebec, H3B 5C9, CANADA to correct clerical errors in the Confirmatory Assignment or to insert any further identification or other information necessary or desirable to make the Confirmatory Assignment suitable for recordal at the United States Patent and Trademark Office, or any other patent office;

**THIS** Assignment is made effective as of December 6, 2019.
