SATISFACTION AND RELEASE OF SECURITY INTEREST

THIS SATISFACTION AND RELEASE OF SECURITY INTEREST (hereafter, "Release") is made and effective as of this *13th* day of *November*, 2023, in favor of RAYMOND & LAE ENGINEERING, INC., a Colorado corporation with a principal office address of 104 Racquette Drive, Suite A, Fort Collins, CO 80524 ("Debtor"), by NXGEN LLC, a Colorado limited liability company with a former address of 999 18th Street, Suite 3000, Denver, CO 80202 and a current principal office address of 1437 N. Denver Avenue, Suite 292, Loveland, CO 80538 (Secured Party) (collectively, the "Parties").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, upon fulfillment of the Seller Note and Payoff & Release, the Secured Party hereby unconditionally and expressly releases, terminates, and forever discharges the Debtor, its successors, assigns, members, managers, and agents, and all other persons, firms, or corporations, from: (i) Debtor's duties and obligations contemplated under the Security Agreement recorded with the U.S. Patent and Trademark Office on April 10, 2017 at reel/frame 042206/0365, and again on October 30, 2023 at reel/frame 065396/0713; (ii) Secured Party's security interests in those assets (the "Collateral") purchased by Debtor through the Purchase and Sale Agreement entered into by and between the Parties dated March 10, 2017, including all of the Patents listed on the Schedule A attached hereto and made a part hereof; and (iii) any and all claims, demands, damages, actions, causes of action, or suits of any kind or nature whatsoever for any amounts owed by Debtor under the Security Agreement.

Secured Party hereby represents that the terms of this Release have been completely read and are fully understood and voluntarily accepted for the purpose of making a full and final disposition and termination of said Security Agreement, including its security interests in the Collateral, for the express purpose of precluding, forever, any claims that Secured Party may have to any equitable ownership interest or legal title in the Collateral, including those Patents listed in the attached Schedule A, and that Secured Party reassigns and reconveys all right, title, and interest in the Collateral to Debtor, including those Patents listed in the attached Schedule A. Further, Secured Party hereby consents and agrees to execute and deliver, at the request of Debtor, such further instruments, documents, and release forms as Debtor may reasonably require, now and in the future, to perfect the complete legal and equitable title and ownership in the Collateral.
