ASSIGNMENT FOR UTILITY OR DESIGN PATENT APPLICATION

WHEREAS I/We, the below named inventor(s), (hereinafter referred to as Assignor(s)), have made an invention claimed and/or described in an application for United States Letters Patent entitled:

Passive Assessment of Signal Relays amongst Bystanders

filed herewith, and/or filed on November 18, 2022, as U.S. Application No. 18/ 056,891; and

WHEREAS, Packet Forensics, LLC

whose post office address is 576 N. Birdneck Rd., #710, Virginia Beach, VA 23451

(hereinafter referred to as Assignee) is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to the application for United States Letters Patent on this invention and the Letters Patent to be issued upon this application;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, I/We, as Assignor(s), have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, my/our entire right, title, and interest in and to this invention and this application, and any previous applications including provisional applications, and any future applications including nonprovisional, divisional, and continuation applications, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, as well as all rights to claim priority on the basis of these applications in any foreign country, and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof; and I/We hereby authorize and request the Director of the United States Patent and Trademark Office and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I/WE HEREBY authorize and request the Director of the United States Patent and Trademark Office and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I/WE HEREBY covenant that I/we have the full right to convey the interest assigned by this Assignment, and I/we have not executed and will not execute any agreement in conflict with this Assignment;

AND, I/WE HEREBY further covenant and agree for myself/ourselves, my/our successors and my/our assigns, that I/we will, without further payment or consideration, communicate to Assignee, its successors and assigns, any facts known to me/us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors and assigns, execute all future applications for the invention, make all rightful oaths and generally do everything reasonably possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expenses incident to this paragraph, such as postage and notary fees, shall be borne by the Assignee, its successors and assigns;

AND, I/WE HEREBY authorize and request the Assignee's agents, MH2 Technology Law Group LLP, whose address is 1951 Kidwell Drive, Suite 310, Tysons Corner, VA 22182, to insert hereon any information necessary or desirable for recordation or use of this document, including the filing date and application number when known;

IN TESTIMONY AND AGREEMENT WHEREOF, I/We have hereunto set our hands.
