ASSIGNMENT

Pursuant to my obligation to SPG International LLC (hereinafter referred to as "Assignee"), a Delaware limited liability company having its principal place of business at:

11230 Harland Drive NE1
Covington, Georgia 30014

and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged, I:

Arturo Gonzalez
991 Cedar Trace SW
Lilburn, Georgia 30047

("Assignor") confirm my obligation to and hereby sell, assign and convey, unto Assignee, its successors and assigns, my entire right, title and interest -

(1) in and to inventions described in patent applications titled "HEIGHT ADJUSTABLE SIGN HOLDER" for which I filed United States Provisional Patent Application No. 62/519,812, on June 14, 2017, and United States Provisional Patent Application No. 62/535,714, on July 21, 2017, (Atty. File Nos. 029238-9086-US01 and 029238-9086-US02) (hereinafter the "U.S. provisional patent applications");

(2) in and to the U.S. provisional patent applications, in and to all other patent applications (including divisional, continuation, continuation-in-part, 35 U.S.C. §111(b) provisional, 35 U.S.C. §111(a), and reissue applications) based upon said inventions, and in and to the patent or patents to be granted thereon, including all rights of priority based on such applications, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said inventions filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the U.S. provisional patent applications and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of the Assignee with a claim to priority based on the U.S. provisional patent applications; and

(5) in and to all rights of any kind whatsoever of Assignor's accruing before, on, or after the dates of execution below under any of the foregoing provisions provided by applicable law of any jurisdiction; by international treaties and conventions, and otherwise throughout the world, acknowledging that some rights may have already accrued to the Assignee under such applicable laws; and

(6) any and all claims and causes of action, with respect to any of the foregoing, whether accruing before, on, or after the dates of execution below, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and

PATENT

future infringement, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

Assignor hereby authorizes the assignee or attorney of record to insert in the appropriate place in this document the application number and filing date of my application after execution of this Assignment. Assignor hereby agrees that Assignor will, upon demand of Assignee, its successors, assigns, or legal representatives, and without further consideration to Assignor, execute any and all papers and do all other lawful acts that may be deemed necessary by Assignee, its successors, assigns, or legal representatives, to complete fulfillment of the intent and purposes of this Assignment in any country throughout the world. Any expenses incident to the execution of such papers and performance of such acts shall be paid by the Assignee, its successors, assigns, or legal representatives.

Assignor hereby authorizes and requests the Commissioner of the United States Patent and Trademark Office and the appropriate official of any foreign patent or intellectual property office to issue all patents as shall be granted upon the assigned patent applications to Assignee, its successors, assigns, or legal representatives.
