ASSIGNMENT

Pursuant to my/our obligation to **NIAGARA BOTTLING, LLC** (hereinafter referred to as "Assignee"), a Delaware limited liability company having its principal place of business at:

1440 Bridgegate Drive
Diamond Bar, CA 91765

and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged, I/we **Luis Ramos; Alex Sigala; Ken Cooper; Sergio Falcon; Ken Cooper IV** (hereinafter referred to as "Assignor(s)"), confirm my/our obligation to and hereby sell, assign and convey, unto Assignee, its successors and assigns, our entire right, title and interest -

(1) in and to inventions described in a patent application titled DOCK DOOR AUTOMATION SYSTEMS AND METHODS for which we filed United States Patent Application No. 16/656,509 on October 17, 2019 (Atty. File No. 216628-9065-US03) (hereinafter the "U.S. utility patent application") which application claims the benefit of United States Provisional Patent Application Nos. 62/747,063, filed on October 17, 2018 and 62/782,243 filed December 19, 2018 (hereinafter the "U.S. provisional patent applications");

(2) in and to the U.S. utility patent application, and the U.S. provisional patent applications, in and to all other patent applications (including divisional, continuation, continuation-in-part, 35 U.S.C. §111(b) provisional, 35 U.S.C. §111(a), and reissue applications) based upon said inventions, and in and to the patent or patents to be granted thereon, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the U.S. utility patent application and the U.S. provisional patent applications and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of my/our Assignee with a claim to priority based on either or both of the U.S. utility patent application and the U.S. provisional patent applications.

I/We hereby agree that we will, upon demand of Assignee, its successors or assigns, and without further consideration to me/us, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the

execution of such papers shall be paid by Assignee, its successors and assigns, and not by me/us.

Assignor(s) hereby authorize the assignee or attorney of record to insert in the appropriate place in this document the application number and filing date of our application after execution of this Assignment.

The Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said patent or patents to Assignee.
