Title: **A PRIVATE SEARCH SERVICE**

## ASSIGNMENT

WHEREAS, We, the Undersigned, have invented certain new and useful improvements as described in the U.S. Patent Application entitled: **A PRIVATE SEARCH SERVICE**, the application being identified in the United States Patent and Trademark Office ("USPTO") by Application No. 17/819,166 filed August 11, 2022, and as described in the U.K. Patent Application having the same title and being identified in the Intellectual Property Office of the United Kingdom by Application No. 2102242.1 filed February 17, 2021, ("Invention"); and

WHEREAS, **Intelligent Voice Limited**, having an address of St Clare House 30-33 Minories, London, EC3N 1DD, United Kingdom and **Mr Nigel H Cannings** also at St Clare House 30-33 Minories, London, EC3N 1DD, United Kingdom (together with its successors and assigns, the "Assignees"), seek to memorialize its ownership of the entire right, title and interest in and to the Invention;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, We transfer to Assignees our entire rights, titles, and interests in and to the Invention, including all inventions disclosed or claimed in the above-identified patent applications, including any improvements thereof, any corresponding domestic applications (e.g., provisional, non-provisional, divisional, continuation, continuation-in-part, reexamination, and/or reissue patent), any corresponding foreign applications, all patents issuing thereon, or other patent application based off or claiming priority to the above-identified patent applications, and all rights and benefits under any applicable treaty or convention. We authorize the USPTO (or foreign equivalent thereof) to issue any patent (or similar legal protection) to the Assignees.

We hereby authorize the Assignees to insert in this instrument the filing date and application number of the United States patent application when ascertained. We hereby also authorize the Assignees (or its designee) to apply for patent (or similar legal protection) in its own name if desired, in any and all countries.

We represent to the Assignees that We have not and shall not execute any writing or do any act whatsoever conflicting with this Assignment. We agree, when requested, without additional consideration, but at the expense of the Assignees, to provide additional reasonable assistance necessary to memorialize this assignment, to execute all oaths, declarations, assignments, powers of attorney and other papers necessary to perfect and vest title to the rights assigned herein to the Assignees; and will render all assistance in filing, obtaining, maintaining, and enforcing any patent (or similar legal protection) on the Invention in any and all countries.

## DECLARATION

We have reviewed and understand the contents of the above-identified U.S. patent application including the claims, and We believe We are the original inventors of a claimed invention in the above-identified U.S. patent application. The above-identified U.S. patent application was made or authorized to be made by us. We are aware of and acknowledge our duty to disclose to the USPTO all information known to us to be material to patentability of the claims in the above-identified U.S. patent application. We acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.
