## **PATENT SECURITY AGREEMENT**

This **PATENT SECURITY AGREEMENT** (this “**Agreement**”), dated as of December 20, 2023, by Broadway Pine Brands LLC, a Delaware limited liability company, Pike Brands LLC, a Delaware limited liability company, and Cap Hill Brands Inc., a Delaware corporation (each a “**Grantor**” and collectively the “**Grantors**”) in favor of Victory Park Management, LLC, as collateral agent (the “**Collateral Agent**”) for the secured parties referred to below. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement, as defined below.

### **WHEREAS:**

A. Reference is made to that certain Pledge and Security Agreement, dated as of December 20, 2023 (as amended, restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), entered into by and among Juvo Intermediate LLC a Delaware limited liability company, the Grantors, the other Guarantors party thereto, Collateral Agent and the other parties party thereto which secures certain now existing and future arising obligations owing to the Secured Parties (as defined in the Security Agreement) under the Transaction Documents as provided in the Security Agreement;

B. Pursuant to the Security Agreement, each Grantor is required to execute and deliver to the Collateral Agent this Agreement;

C. Pursuant to the terms of the Security Agreement, each Grantor has granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in substantially all the assets of such Grantor, including all right, title and interest of such Grantor in, to and under all now owned and hereafter acquired patents, patent applications and patent licenses, and all products and proceeds thereof, to secure the payment of the Obligations (as defined in the Security Agreement).

**NOW, THEREFORE**, in consideration of the mutual agreements set forth herein and for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, each Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Parties, to secure the Obligations, a continuing security interest in all of such Grantor’s right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired:

1. all of its United States and foreign patents and patent applications, including, without limitation, all United States federally registered patents and patent applications referred to in Schedule 1 annexed hereto, together with any reissues, continuations or extensions thereof and all goodwill associated therewith;

2. all of its patent licenses, including, without limitation, all of its patent licenses listed on Schedule 1 annexed hereto, together with all goodwill associated therewith;

3. all products and proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future infringement, misappropriation, dilution, violation or other impairment of any patent, including, without limitation, any of the patents referred to in Schedule 1 annexed hereto, any patent issued pursuant to a patent application referred to in Schedule 1 and any patent licensed under any patent license listed on Schedule 1 annexed hereto (items 1 through 3 being herein collectively referred to as the “**Patent Collateral**”).

This security interest is granted in conjunction with the security interests granted to the Collateral Agent, for itself and on behalf of the other Secured Parties, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect

to the security interest in the Patent Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. Capitalized terms used but not defined herein have the respective meanings ascribed thereto in the Security Agreement.

This Agreement shall be a contract made under, and governed and enforced in every respect by, the laws of the State of New York (including §5-1401 and 5-1402 of the New York General Obligations Law). The parties hereto (a) agree that any legal action or proceeding with respect to this Agreement or any other agreement, document, or other instrument executed in connection herewith or therewith, shall be brought in any state or federal court located within the City of New York, New York, (b) irrevocably waive any objections which either may now or hereafter have to the venue of any suit, action or proceeding arising out of or relating to this Agreement, or any other agreement, document, or other instrument executed in connection herewith, brought in the aforementioned courts and (c) further irrevocably waive any claim that any such suit, action, or proceeding brought in any such court has been brought in an inconvenient forum.

**[Remainder of Page Intentionally Left Blank; Signature Page Follows]**

Each Grantor has caused this Patent Security Agreement to be duly executed by its duly authorized officer thereunto as of the date first set forth above.
