## ASSIGNMENT

In consideration of the sum of One Dollar (\$1.00) or for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged: **Marco EMGENBROICH, Eva-Marie PRINZ, Elke KLEIN and Heike KLUTH** ("Assignors") hereby sell and assign to **LTS LOHMANN Therapie-Systeme AG**, a corporation organized and existing under the laws of GERMANY and having an office and place of business at Lohmannstraße 2, Andernach 56626 ("Assignee") his/her entire right, title and interest, including the right to sue for past infringement and to collect for all past, present and future damages, for the United States of America (as defined in 35 U.S.C. § 100) and throughout the world,

(a) the patent applications identified in **Schedule A** to this Assignment, including all inventions disclosed and/or claimed in these patent applications; and

(b) in any and all U.S., foreign, and international applications that claim the benefit of the patent applications identified in **Schedule A**, including any continuing (continuation, divisional, or continuation-in-part) applications, reissues, extensions, renewals, reexaminations, thereof, as well as any patents (to the full extent of the term or terms for which the patents issue) issuing from any of the applications in this paragraph; and

(c) in any and all forms of intellectual and industrial property protection derivable from such patent applications in **Schedule A**, and that are derivable from any and all continuing applications, reissues, extensions, renewals and reexaminations of such patent application, including, without limitation, patents, applications, utility models, inventor's certificates, and designs together with the right to file applications therefor; and including the right to claim the same priority rights from any previously filed applications under the International Agreement for the Protection of Industrial Property, or any other international agreement, or the domestic laws of the country in which any such application is filed, as may be applicable;

all such rights, title and interest to be held and enjoyed by Assignee, its successors, legal representatives and assigns to the same extent as all such rights, title and interest would have been held and enjoyed by Assignors had this assignment and sale not been made.

The undersigned Assignors agree to execute all papers necessary in connection with the application(s) and any non-provisional, continuing (continuation, divisional, or continuation-in-part), reissue, reexamination or corresponding application(s) thereof and also to execute separate assignments in connection with such application(s) as the Assignee may deem necessary or expedient.

The undersigned Assignors agree to execute all papers necessary in connection with any interference or patent enforcement action (judicial or otherwise) related to the application(s) or any non-provisional, continuing (continuation, divisional, or continuation-in-part), reissue or reexamination application(s) thereof and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such interference or patent enforcement action.

The undersigned Assignors hereby represent that he/she has full right to convey the entire interest herein assigned, and that he/she has not executed, and will not execute, any agreement in conflict therewith.

The undersigned Assignors hereby grant the patent practitioners associated with **CUSTOMER NUMBER 26111** the power to insert in this assignment any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

The undersigned Assignors hereby represent that he/she understands that the patent practitioners associated with **CUSTOMER NUMBER 26111** are the legal representatives of, and attorneys for, Assignee, and are NOT the legal representatives of, and attorneys for, Assignors.

IN WITNESS WHEREOF, executed by the undersigned assignors on the date opposite his/her name.
