PATENT SECURITY AGREEMENT

This Patent Security Agreement (this “Patent Security Agreement”) is made as of December 20, 2023, by Medicine-On-Time LLC, a Delaware limited liability company and Remedi Technology Holdings, LLC, a Maryland limited liability company (“Remedi Technology”; together with Medicine-On-Time and Remedi, each a “Grantor” and collectively, the “Grantors”), in favor of HCC Investments, LLC, in its capacity as Administrative Agent for itself and the other Secured Creditors (together with its successors and assigns in such capacity, “Grantee”).

WHEREAS, each Grantor holds all right, title and interest in the letter patents, design patents and utility patents listed on the attached Schedule A, which patents are issued or applied for in the United States Patent and Trademark Office (the “Patents”);

WHEREAS, each Grantor has become party to that certain Second Lien Security Agreement, dated December 20, 2023 (as amended, restated, supplemented, modified or otherwise changed from time to time, the “Security Agreement”), in favor of Grantee; and

WHEREAS, pursuant to the Security Agreement, each Grantor has granted to the Grantee for the benefit of the Secured Creditors, a continuing security interest in all right, title and interest of such Grantor in, to and under the Patents and the applications and registrations thereof, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (collectively, the “Collateral”), as collateral security for the Secured Obligations,

NOW, THEREFORE, as collateral security for the payment, performance and observance of all of the Secured Obligations, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor does hereby grant to the Grantee and grant to the Grantee for the benefit of the Secured Creditors, a continuing security interest in the Collateral as collateral security for the Secured Obligations.

All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement (or in the Credit Agreement referenced and defined in the Security Agreement).

Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the Grantee with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.

This Patent Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart by facsimile or electronic mail shall be equally effective as delivery of an original executed counterpart.

This Patent Security Agreement and the rights and duties of the parties hereto shall be construed and determined in accordance with, the laws of the State of New York without regard to conflicts of law principles that would require application of the laws of another jurisdiction.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, each Grantor has caused this Patent Security Agreement to be duly executed by its officer thereunto duly authorized as of the date first set forth above.
