ASSIGNMENT

Whereas, I, James B. Glenn, of Houston, Texas, in the United States of America, have invented "TWO-PIECE UNIVERSAL ALIGNMENT TOOL AND METHOD FOR SERVICING MUD RECIPROCATING PUMPS" for have made application for Letters Patent of the United States; and

Whereas, EW PUMPS, a Texas limited liability company, having a place of business at 12012 Wickchester Lane, Suite 170, Houston, Texas 77079, is desirous of acquiring an interest therein;

NOW, THEREFORE, in consideration of the sum of ten dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, by these presents do sell, assign and transfer and convey unto EW PUMPS, its successors and assigns, the full and exclusive right, for the United States of America and its territorial possessions and for any and all foreign countries, including without limitation Canada, in and to the said inventions, described in the Utility Patent Application No. 17/898,336 (filed August 29, 2022) in the United States, and any divisional, continuing, or reissue applications based on the present application preparatory to obtaining Letters Patent of the United States therefor, said invention, application(s) and any and all Letters Patent issuing therefor to be held and enjoyed by EW PUMPS for its own use and behoof, and for its representatives, successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by me and had this assignment and sale not been made.

And I do further agree to sign all papers, make all rightful oaths and do all requisite acts for the filing of any disclaimer or for the filing and assignment of any divisional, continuing or reissue application or applications for patent based on the present applications, as well as for any other U.S. or foreign applications for patent which relates to the said invention.

And I do further agree to communicate to EW PUMPS, its successors, assigns, or other legal representatives, such facts relating to the invention disclosed in the present applications or Letters Patent issuing thereon as may be known to me, and to testify as to such facts in any litigation.

Executed this 18th Day of December, at Houston, Harris County, Texas.

JAMES B. GLENN
