## ASSIGNMENT

In consideration of Ten Dollars (\$10.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, We the undersigned, Bose Corporation (hereinafter referred to as "ASSIGNOR"):

Hereby sells, assigns and transfers to Transom Post OpCo, LLC (hereinafter referred to as "ASSIGNEE"), a limited liability company of the state of Delaware, having a place of business at 145 Pennsylvania Avenue, Framingham, MA 01701, its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to all patents and patent applications listed on Exhibit A, and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on said improvements;

Agree that when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent application on any and said improvements; execute all rightful oaths, assignments, powers of attorney and other papers, communicate to said Assignee, its successors, assigns and legal representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives;

Agree that Assignee shall have all right, title and interest to enforce the patent and sue for past, present and all future infringement of the patent rights; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
