### PATENT ASSIGNMENT

WHEREAS, I, Konrad REJDAK, have made an invention(s), which invention(s) is described in an application(s) for Letters Patent, which application(s) is listed in the attached Schedule; and

WHEREAS, Chord Therapeutics SA, in succession from the transformation of Chord Therapeutics S.a.R.L., of AVENUE DE SECHERON 15, 1202 GENEVA, SWITZERLAND, a Company organized and existing under the laws of SWITZERLAND (hereinafter "Company") is desirous of acquiring, and entitled by agreement, contract, or operation by law, to acquire the entire right, title and interest in and to the invention(s) and in and to the application(s) and any Letters Patent that may be granted therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned have sold, assigned and transferred, and/or do hereby sell, assign and transfer unto Company, its lawful successors and assigns, the full, exclusive and worldwide right to the invention(s) and the entire right, title and interest in, to and under the application(s) and any and all Letters Patent that may be granted on the application(s), any and all priority applications and Letters Patent thereof, and any and all applications and Letters Patent claiming priority to the application(s), including any and all divisions or continuations thereof, any and all renewals, substitutes, reissues, reexaminations and extensions thereof, in the United States of America, in the territorial possessions of the United States of America, and equivalents thereto in any country foreign to the United States of America, including full right to claim for any such applications all benefits and priority rights under any applicable convention, the same to be held and enjoyed by Company, its lawful successors and assigns as fully and entirely as the same would have been held by the undersigned had this assignment not been made.

The undersigned hereby authorize and request the Commissioner of Patent and Trademarks of the United States of America and respective Patent Office officials in any country foreign to the United States of America to issue said Letters Patent to Company as the assignee of our entire right, title and interest in, to and under the same, or to Company's lawful successors and assigns.

The undersigned hereby agree for ourselves and for our heirs, executors and administrators, to execute any lawful document and to testify as to any material fact or thing which Company, its lawful successors and assigns may deem necessary in order to secure unto itself, its lawful successors and assigns the full right, title and interest in and to, and the full enjoyment of, the invention(s) or any part thereof, the application(s) and any and all Letters Patent, the same to be done without any further consideration.

The undersigned hereby warrant and represent that I/we have not entered, nor will enter, into any assignment, contract, or understanding in conflict herewith.

IN TESTIMONY WHEREOF, I hereby set my hand this 22 day of NOVEMBER, 2023
