## ASSIGNMENT BY INVENTORS

WHEREAS, we, **Connor A Smith, Willem Mattelaer, Joseph P Cerra, Kevin Lee** (hereinafter referred to as “Assignors”) have invented certain new and useful improvements in “**Systems and Methods of Managing Spatial Groups in Multi-User Communication Sessions**”, shown and described in US Patent Application No. US18421675 filed 1/24/2024; or filed herewith. (the “Application”) and;

WHEREAS, **Apple Inc.**, a California corporation, having its principal place of business at One Apple Park Way, Cupertino, CA 95014, (hereinafter referred to as Assignee), is desirous of acquiring Assignors entire right, title and interest in and to said inventions, Application and any patents which may issue thereon;

NOW, THEREFORE, be it known by all whom it may concern that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, each of the Assignors agrees to assign and hereby assigns to Assignee for the territory of the United States of America and the entire world such Assignor's entire right, title and interest in and to said inventions and Application, and in and to any and all patent applications in the United States and all countries foreign to the United States which may claim priority to said Application or which may be directed to said inventions, said patent applications including without limitation any and all provisionals, non-provisionals, divisionals, continuations, continuations-in-part, utility models, industrial models, inventor’s certificates and designs, and in and to any and all patents in the United States and all countries foreign to the United States which may be granted therefore and thereon, and in and to any reissues, reexaminations, substitutes, and extensions of said patents. Each of the Assignors hereby transfer and convey to Assignees any and all right to recover for past and future infringement of the patents assigned herein.

This Assignment is made with effect as of: 1) the last signature date below or 2) if earlier, and to the extent enforceable, the earliest priority date of the Application, or where priority is not claimed to an earlier application, then from the filing date of the Application.

Each of the Assignors HEREBY grant the attorneys at **Kubota and Basol LLP** the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the corresponding Patent Office for recordation of this document.
