DECLARATION RE OWNERSHIP

The undersigned herewith declare:

Andreas Stihl AG & Co. KG is the correct owner of the above identified United States patent.

The previously recorded document (REEL/FRAME: 025673/0558; recorded December 13, 2010) was submitted with erroneous information: in particular REEL/FRAME 025673/0575 (see last entry) lists erroneously the instant application Ser. No. 11/307,517.

The true chain of title as properly recorded in the United States Patent and Trademark Office is evidenced by an assignment from the inventors (Rabis, Manfred; Schliemann, Harald) to the patentee, Andreas Stihl AG & Co. KG (REEL/FRAME: 017153/0685, recorded February 10, 2006).

The original patentee, Andreas Stihl AG & Co. KG, has been, and continues to be, the owner of the above identified United States patent.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the patent.
