PATENT ASSIGNMENT

This is a CONFIRMATORY PATENT ASSIGNMENT ("Assignment") effective *nunc pro tunc* as of January 1, 2023, by and between Navico Holding AS, a limited liability company organized and existing under the laws of Norway ("Assignor") and Navico, Inc., a Delaware corporation ("Assignee").

RECITALS

WHEREAS, Assignor was the owner of all right, title and interest in and to the patents and patent applications set forth in Exhibit A and all continuations, continuations-in-part, divisionals, extensions, substitutions, reissues, re-examinations and renewals thereof (the "Patent Assets") and all goodwill associated therewith; and

WHEREAS, pursuant to an Intellectual Property Sales and Purchase Agreement entered into by and between Assignee and Assignor effective January 1, 2023, Assignee desired to and did acquire, and Assignor did contribute and assign, all right, title and interest in and to the Patent Assets and the applications and registrations therefor, together with the goodwill associated therewith.

NOW, THEREFORE, in consideration of the mutual covenants and premises set forth in the Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby acknowledges and ratifies the conveyance, assignment and delivery of the Patent Assets and otherwise assigns, transfers and conveys to the Assignee and its successors and assigns all of the right, title and interest of the Assignor in and to (a) any and all inventions described in the Patent Assets, in any form or embodiment; (b) any and all applications related thereto or patents issuing therefrom, filed in any country, including the right to file applications in countries other than the country of priority filing under the provisions of any international convention; (c) any and all improvements on said invention or inventions now or hereafter made by Assignee, its successors and assigns; (d) any and all patents, including reissues and extensions thereof, to be obtained in any country upon said invention, inventions or improvements, and any and all continuing applications, including divisional, continuation and continuation-in-part applications, substitute applications, and applications claiming benefit of an earlier filed provisional application, which may be filed upon said invention, inventions or improvements in any country; and (e) all claims for damages by reason of past infringement of the inventions described in the Patent Assets and the patents issuing therefrom, with the right to sue for and collect damages.

This Assignment is effective *nunc pro tunc* as of January 1, 2023.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the parties have executed this confirmatory instrument on the date(s) indicated below.

Assignor: Navico Holding AS

By: 

Name: Jeroen van de Polder

Title: Director

Date: March 10, 2023

Assignee: Navico, Inc.

By:
