**RELEASE OF SECURITY INTEREST IN UNITED STATES PATENTS**

THIS RELEASE OF SECURITY INTEREST IN UNITED STATES PATENTS (this “**Release**”) is made as of February 7, 2024, by FEAC AGENT, LLC, a Delaware limited liability company (“**FEAC**”), in its capacity as collateral agent for the benefit of the Secured Parties (in such capacity, together with its successors and permitted assigns, the “**Collateral Agent**”), in favor of RECORD360 INC. (“**Grantor**”). Capitalized terms used but not otherwise defined herein have the meanings given to them in the Intellectual Property Security Agreement (defined below).

WITNESSETH:

WHEREAS, pursuant to that certain Intellectual Property Security Agreement, dated as of November 5, 2021, by the Grantor in favor of the Collateral Agent (the “**Patent Security Agreement**”), the Grantor mortgaged and pledged to the Collateral Agent for the benefit of the Secured Parties, and granted to the Collateral Agent for the benefit of the Secured Parties a Lien on and a security interest in, all of its right, title and interest in, to and under all of the Patent Collateral of such Grantor including, without limitation, the Patents specifically listed on Schedule A attached hereto (all such Patent Collateral that is owned by the Grantor, including without limitation, the Patents and Patent Licenses identified on Schedule A hereto, the “**Released Patents**”);

WHEREAS, the Patent Security Agreement was recorded with the United States Patent and Trademark Office on November 9, 2021 at Reel 058081, Frame 0831; and

WHEREAS, Collateral Agent now desires to terminate and release its lien on and security interest in and to the Released Patents and reassign and retransfer to the Grantor all of the Collateral Agent’s rights, title and interest in and to the Released Patents.

NOW, THEREFORE, for good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, the Collateral Agent, for the benefit of the Secured Parties, hereby agrees as follows:

1. Collateral Agent hereby terminates and releases its security interest in and to the (i) Released Patents providing for the grant by or to the Grantor of any right under any Patent, (ii) all reissues, reexaminations, continuations, continuations-in-part, divisionals, and extensions of the foregoing, and (iii) all income, royalties, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof. If and to the extent that Collateral Agent has acquired any right, title or interest in, to or under any of the foregoing, it hereby reassigns, grants and conveys to the Grantor, without any representation, warranty, recourse or undertaking by Collateral Agent, any and all of Collateral Agent’s right, title, and interest in and to the foregoing.
2. Nothing contained in this Release shall be construed as a termination, release, retransfer or reassignment of any security interest, if any, or any right, title and interest which the Collateral Agent may have in any Patent Collateral, as defined in the Patent Security Agreement, other than such Patent Collateral that is owned by the Grantor

(including, without limitation, such Patent Collateral that is specifically identified on Schedule A).

3. This Release and the rights and obligations of the parties hereunder shall be governed by, and shall be construed and enforced in accordance with, the laws of the State of New York without regard to conflict of laws principles thereto.

4. The Collateral Agent authorizes that this Release can be recorded with the United States Patent and Trademark Office.

IN WITNESS WHEREOF, the Collateral Agent has caused this Release to be executed by its duly authorized representative as of the date first written above.
