IP ASSIGNMENT AGREEMENT

This IP Assignment Agreement (this “Agreement”) is entered into as of this 9th day of February, 2024, by and between **CAD Audio, LLC**, having its offices at 6573 Cochran Rd. Bldg. I, Solon, Ohio 44139 (“**Assignor**”) and **Jam Industries USA, LLC**, having its notice address at 310 West Newberry Road, Bloomfield, CT 06002 (“**Assignee**”) (Assignor and Assignee are collectively referred to herein as the “Parties”).

WHEREAS, on February 9, 2024 the Parties entered into that certain Purchase Agreement (the “Purchase Agreement”);

WHEREAS, in connection with the Purchase Agreement, Assignee wishes to acquire from Assignor, and Assignor wishes to assign to Assignee, all rights, title and interest in and to the Listed IP, as defined in the Purchase Agreement, on the terms set forth in this Agreement.

NOW THEREFORE, for good and valuable consideration and the sum of One Dollar (USD \$1.00), the receipt and sufficiency of which is hereby acknowledged by Assignor, the Parties agree as follows:

1. Assignment of the Listed IP. Assignor does hereby assign, sell, transfer and convey to Assignee, its successors and assigns, all of Assignor’s right, title and interest in and to the Listed IP including, without limitation, the Listed IP identified in Schedule 1.1(a), attached hereto, together with any goodwill symbolized by or associated exclusively with such Listed IP. Assignor’s rights include, but are not limited to the following:

a. all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

b. any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

c. any and all claims and causes of action, with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Further Actions. Following the date hereof, upon Assignee’s request, and at Assignee’s sole cost and expense, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be necessary to effect, evidence, or perfect the assignment of the Listed IP to Assignee, or any assignee or successor thereto. Assignee further agrees to take over any pending applications or proceedings commenced by Assignor in relation to any of the Listed IP at its own expense.

3. Representations and Warranties of Assignor. Assignor hereby represents and warrants that (i) it has the power and authority to enter into this Agreement; (ii) that the assignment of the Listed IP to Assignee is made free and clear of any and all liens and claims of third-parties to any rights, title and interest in and to the Listed IP and has not otherwise assigned any of the Listed IP to any other party; and (iii) that it has no knowledge of any claims of ongoing infringement arising out of, or relating to, the Listed IP.

4. Representation and Warranties of Assignee. Assignee hereby represents and warrants that (i) it has the power and authority to enter into this Agreement; and (ii) it has no knowledge of any claims of ongoing infringement arising out of, or relating to, the Listed IP.

5. Indemnification. The Parties hereto acknowledge and agree that Indemnification obligations set forth in the Purchase Agreement are incorporated herein by this reference and shall control.

6. Entire Agreement. This Agreement, together with the Purchase Agreement, represents the entire agreement relating to the assignment of the Listed IP from Assignor to Assignee. In the event there is a conflict between the terms of this Agreement and the Purchase Agreement, the terms of this Agreement shall control. The recitals set forth above are incorporated herein by this reference as if fully rewritten herein.

7. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. A signed copy of this Agreement delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original.

8. Successors and Assigns. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

9. Governing Law. This Agreement and any claim, controversy, dispute, or cause of action (whether in contract, tort, or otherwise) based upon, arising out of, or relating to this Agreement and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of Delaware, without regard to conflict of laws principles. If any term or condition of this Agreement is prohibited or invalidated under applicable law, the remainder of the Agreement shall remain unaffected.
