## Patent Assignment

WHEREAS, Glowzi, LLC, a Florida limited liability company having a place of business at 2570 Natures Way, Palm Beach Gardens, FL 33410 ("Assignor"), is the owner of all right, title, and interest in, to and under U.S. Patent Numbers 7,841,729 and 8,876,307 (collectively, "the US Patent Properties");

WHEREAS, Pathway IP LLC, a New Jersey limited liability company having a place of business at 400 Rella Blvd., Suite 156, Montebello, NY 10901 ("Assignee") desires to acquire all of Assignor's rights, title and interest in, to and under the U.S. Patent Properties, and Assignor has agreed to assign all right, title, and interest in, to and under the U.S. Patent Properties to Assignee;

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor has sold, assigned, transferred, set over, and conveyed, and by these presents does sell, assign, transfer, set over, and convey to Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the US Patent Properties, together with any and all U.S. and foreign patents and/or patent applications that are related to such patents, including all inventions described and/or claimed therein, and including any reissues or reexaminations thereof, and any continuing, continuation, continuation-in-part, divisional, foreign counterpart, and the right to sue for present, past, and future infringement, enforce any rights and file any causes of action related thereto (either in law or equity), and to all income, royalties, fees, damages, and payments now or hereafter due or payable in respect thereto, the same to be held and enjoyed by said Assignee, its successors and assigns, to the full extent permissible under any applicable laws, as fully and entirely as the same would have been held and enjoyed by the Assignor if this assignment had not been made. The foregoing assignment shall also include assignment of all rights to assert, to sue for, and to recover all damages and other remedies for, any and all infringement of any of the US Patent Properties that occurred prior to the date of this Patent Assignment.

AND for the same consideration, Assignor hereby warrants, covenants, and agrees to and with said Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, said Assignor is the lawful owner of the entire right, title and interest in and to the above-referenced US Patent Properties and to the inventions disclosed in the US Patent Properties, and that the same are unencumbered and that said Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor agrees to execute or procure any further necessary assurance of title to said U.S. Patent Properties; and at any time, upon the request of said Assignee, will execute and deliver any and all papers that may be necessary or desirable to perfect the title to the Patents and rights assigned herein in Assignee, its successors, assigns or other legal representatives.

Assignor has caused this Assignment to be duly executed by its authorized officer  
on 2/21/24.
