**ASSIGNMENT**

The Assignor, KETO PATENT GROUP, INC., a Texas corporation having a principal place of business at 901 Sam Rayburn Highway, Melissa Texas 75454, is the assignee of record of the entire right, title and interest in and to the patents and patent applications listed in the attached Exhibit A, and the inventions described therein (hereafter "Subject Patents").

The Assignee, AXCESS GLOBAL SCIENCES, LLC, a Utah limited liability company having a principal place of business at 2157 S Lincoln Street, Salt Lake City, Utah 84106, desires to secure the entire right, title and interest in and to the Subject Patents.

In consideration of good and valuable consideration paid to Assignor by the Assignee, the receipt and sufficiency of which the parties hereby acknowledge, the Assignor hereby assigns to the Assignee:

The entire right, title and interest in the Subject Patents and the inventions described therein, and in all divisions, continuations and continuations-in-part of the Subject Patents, and in any reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and Foreign countries, as well as the right to sue for past infringement and damages under any and all such patents.

The right to file patent applications on said inventions in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

Assignor hereby authorizes and requests the Commissioner of Patents at the United States Patent Office (and the equivalent authority in Foreign Patent Offices), or such Patent Office officials as are duly authorized by United States and Foreign patent laws to issue patents, to issue any and all patents on said inventions to the Assignee as the owner of the entire interest, for the sole use of Assignee, its successors, assigns, and legal representatives.

Assignor hereby agrees, without further consideration and without expense, to sign all lawful papers and to perform all other lawful acts which Assignee may request of Assignor to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue and other patent applications on the invention, and all lawful documents requested by Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of Assignor's ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension or infringement proceedings involving the invention.

This assignment and agreement shall be binding upon KETO PATENT GROUP, INC., its successors, assigns and legal representatives.

IN WITNESS WHEREOF, the parties hereto have caused this Patent Assignment to be executed as of the 29<sup>th</sup> day of December 2022.
