Whereas, on June 25, 2020 RESILIENCE FINANCING, INC. of 751 N. Broad St. Suite 205 #776, Middletown, DE 19709 (now of 254 Chapman Rd. Suite 208 #776, Newark, DE 19702), respectively, hereinafter called assignors, acquired the entire right, title, and interest in the application and invention, and to any United States patents to be obtained therefor for applications involving certain improvements in A BUSINESS METHOD, APPARATUS, AND SYSTEM FOR MANAGING DATA, ANALYTICS AND ASSOCIATED FINANCIAL TRANSACTIONS FOR ENVIRONMENTAL, ENGINEERED AND NATURAL SYSTEMS under United States Patent Application (**Application number 16/912667** and Confirmation number 9108, filed June 25, 2020 and claiming benefit to **Provisional Application 62/866,590** priority date June 25, 2019) therefor; and

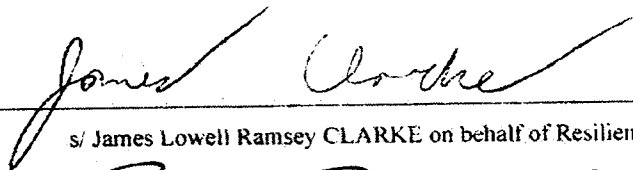

Whereas **WaterwAIs Inc.** of 12602 Denmark Drive, Herndon, VA 20171 (assignee), desires to acquire the entire right, title, and interest in the application and invention, and to any United States patents and to any worldwide patents to be obtained therefor:

Now therefore, for valuable consideration, receipt whereof is hereby acknowledged.

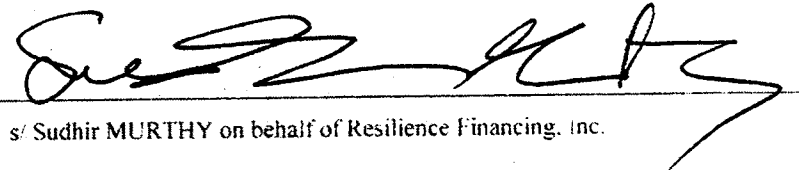

We, the above-named assignor, hereby sell, assign and transfer to the above-named assignee, its successors and assigns, the entire right, title and interest in the applications and the inventions disclosed therein for the United States of America, and all Letters Patent of the United States that may be granted thereon, and all reissues thereof, and all countries foreign thereto, including rights of priority under the International Convention of Paris (1883) as amended, including the right to claim priority under 35 U.S.C. §119 and the right to sue for past damages, and we request the Director of the U.S. Patent and Trademark Office to issue any Letters Patent granted upon the invention set forth in the application to the assignee, its successors and assigns; and we hereby agree that the assignee may apply for foreign Letters Patent on the invention and we will execute without further consideration all papers deemed necessary by the assignee in connection with the United States and foreign applications when called upon to do so by the assignee. This assignment expressly does not convey the rights, titles, and interest to any continuing applications (divisionals, continuations, or any continuations-in-part thereof) (those must be individually or collectively covered in a separate assignment in order to convey any right in interest) unless they have been issued a restriction requirement tying them to this assignment, and it is validly upheld in the U.S. Federal Courts. In the event that the assignee or its successors and assigns go out of business as holders in due course and have not elected to assign another, said assignment right, title and interest shall revert to the assignor.
