- (2) **Alistair McAlinden** and **Blair Carnegie Nimmo** of Interpath Limited, 5th Floor, 130 St Vincent Street, Glasgow, G2 5HF, as administrators of the Assignor ("**Administrators**"); and
- (3) **Fedrigoni S.p.A.**, registered in Italy with no. 01664630223 at Via Enrico Fermi 13/f, 37135 Verona, (VR) Italy ("**Assignee**").

Whereas

- (A) The definitions in Clause 1 (*Interpretation*) apply to this background introduction.
- (B) The Assignor has agreed to sell, and the Assignee agreed to buy all such right, title and interest as the Assignor have or may have in the Assigned Intellectual Property.
- (C) The Administrators act as agent of the Assignor and without personal liability and are party to this Assignment in their personal capacity solely to take the benefit of the exclusions of liability contained within it.

It is agreed

1. INTERPRETATION

- 1.1 The definitions in this Clause 1 apply in this Assignment:

"**Administrators' Solicitors**" means Addleshaw Goddard LLP of Exchange Tower, 19 Canning Street, Edinburgh EH3 8EH.

"**Assignment**" means this assignment.

"**Assigned Intellectual Property**" means the Intellectual Property owned by the Assignor in or to, or in connection with the Smart Paper Assets as at the date of this Assignment, listed in Part 2 (*Assigned Intellectual Property*) of Schedule 1 and all rights in such Intellectual Property.

"**Claim**" means any action, proceeding, claim or demand of any kind (actual or contingent) which may be brought or made against any of the Assignor and/or the Administrators.

"**Intellectual Property**" means all design rights, trade marks and service marks (in each case whether registered or not), patents, inventions (whether patentable or not), registered designs, copyrights (including in computer software), contractual waivers of moral rights, rights in databases and collections of data, utility models and all similar property rights whether or not registered or registrable, designs, drawings, performances, computer programs, rights in confidential information, know-how and trade secrets (and any documents containing such confidential information, know-how or trade secrets), business or brand names, rights in domain names, metatags, goodwill or the style or presentation of goods or services and all similar property rights whether or not registered or registrable, including applications for protection, renewal or extension of any such rights, anywhere in the world and in each case whether subsisting now or in the future contained in the Smart Paper Assets.

“Loss” means any loss, damage, award, cost, charge, penalty or expense which any of the Assignor and/or the Administrators and/or their partners or staff have incurred or sustained or may, directly incur or sustain.

“Sale Agreement” means the agreement relating to the sale of certain assets of the Assignor dated 20 December 2022 between the Assignor, the Administrators and the Assignee.

“Schedule” means the schedule in parts annexed hereto and which forms part of this Assignment.

“Smart Paper Assets” means:

- (a) the following brands: “Powercoat”, “Alive” and “Smartcore”;
- (b) the “Powercoat” and “Powercoat HD” product logos; and
- (c) the patents and patent applications linked to Smart Papers identified in Part 2 (*Assigned Intellectual Property*) of Schedule 1, including rights in and to inventions, know-how, data, technical information and other materials necessary or desirable to exploit the same.

- 1.2 Clause, schedule and paragraph headings shall not affect the interpretation of this Assignment.
- 1.3 A “person” includes a natural person, corporate or unincorporated body (whether or not having separate legal personality) and that person’s legal and personal representatives, successors or permitted assigns.
- 1.4 Unless the context otherwise requires, words in the singular shall include the plural and, in the plural, include the singular.
- 1.5 Unless the context otherwise requires, a reference to one gender shall include a reference to the other genders.
- 1.6 A reference to a party shall include that party’s legal and personal representatives, successors or permitted assigns.
- 1.7 A reference to a statute, statutory provision or subordinated legislation is a reference to it as it is in force from time to time, taking account of any amendment, extension or re-enactment and includes any statute, statutory provision or subordinate legislation which it amends or re-enacts.
- 1.8 A reference to a statute or statutory provision shall include any subordinate legislation made from time to time under that statute or statutory provision.
- 1.9 Any obligation in this Assignment on a person not to do something includes an obligation not to agree or allow that thing to be done.
- 1.10 A reference to writing or written includes faxes but not e-mail.
- 1.11 A reference to a document is a reference to that document as varied or novated (in each case, other than in breach of this Assignment) at any time.
- 1.12 A reference to a clause, schedule or part shall be construed respectively as references to a clause or schedule of this Assignment and to a part of the schedule unless the context otherwise requires.

- 1.13 Where the words include(s), including or in particular are used in this Assignment, they are deemed to have the words “without limitation” following them.

2. ASSIGNATION

- 2.1 In consideration of the amounts paid by the Assignee to the Assignor pursuant to the Sale Agreement, the Assignor hereby assigns to the Assignee with effect from the date of this Assignment, all such right, title and interest as that Assignor has or may have in or to the Assigned Intellectual Property, including:

- (a) the right to bring, make, oppose, defend or appeal proceedings, claims or actions and obtain relief (and to retain any damages recovered) in respect of any infringement, or any other cause of action arising from ownership, of the Assigned Intellectual Property (save as against the Administrators) whether occurring before, on, or after the date of this Assignment;
- (b) all rights to apply for registered rights or protection of the Assigned Intellectual Property in any country in the world;
- (c) all rights to claim priority in the Assigned Intellectual Property; and
- (d) all rights to any extensions, renewals or amendments of or to the Assigned Intellectual Property.

- 2.2 The Assignee shall be responsible for the costs of any registration of this Assignment with any relevant authorities.

3. EXCLUSION OF ADMINISTRATORS' LIABILITY

- 3.1 The Administrators contract solely as agents of the Assignor and shall incur no personal liability of whatsoever nature (whether directly or indirectly, express or implied) and howsoever arising, including without prejudice to the foregoing generality, personal liability in respect of any action or actions of whatsoever nature and howsoever arising in pursuance of the Assignor's rights and/or obligations under this Assignment and whether such claim is formulated in contract and/or delict or by reference to any other remedy or right, and in whatever jurisdiction or forum.
- 3.2 No claim which may be or become competent to the Assignee arising directly or indirectly from this Assignment (or under any deed or other document executed in consequence thereof or on or under any associated or collateral agreement or arrangement) will lie against the Administrators personally and the Administrators shall be entitled at any time to have any such deeds, documents or others amended to include an exclusion of personal liability in terms of this Clause 3.
- 3.3 The Administrators have joined in as parties to this Assignment solely for the purpose of obtaining the benefit of the provisions of this Clause 3 and any other provisions in their favour.
- 3.4 Nothing in this Assignment shall constitute a waiver of any rights of the Administrators to be indemnified or to exercise a lien.

4. FURTHER ASSURANCE

- 4.1 The Assignor shall, for a period of five (5) months from the date of this Assignment, at the cost of the Assignee, perform (or procure the performance of) all further acts and things, and execute

and deliver (or procure the execution or delivery of) all further documents, necessary and requested by the Assignee in order to ensure that the full benefit of the right, title and interest assigned and transferred to the Assignee under this Assignment vests in the Assignee, including registration of the Assignee as applicant or registered proprietor of the Assigned Intellectual Property at the relevant national or supra-national intellectual property registry or office. The terms of all such acts, things and documents shall be subject to the prior approval of the Administrators' Solicitors.

- 4.2 The Assignee acknowledges that the Assigned Intellectual Property may be subject to restrictions or deficiencies and that it may or may not be sufficiently transferable to the Assignee as a result of such restrictions. The Assignee undertakes to make its own enquiries into all such matters. The Assignee hereby undertakes with the Assignor and the Administrators and each of them not to use the Assigned Intellectual Property without first obtaining any necessary consents, licences or registrations and to indemnify and keep the Administrators fully indemnified against any direct Claim or Loss arising by reason directly resulting from the transfer of the Assigned Intellectual Property to the Assignee or its purported sale under the Sale Agreement and this Assignment or the use of it by the Assignee or by any transferee or licensee from the Assignee.

5. CLAIMS BY THE ASSIGNEE

Any claim by the Assignee whether arising pursuant to this Assignment or otherwise shall only be made against the Assignor, as applicable, and not the Administrators and then shall be only an unsecured claim against the Assignor.

6. EXCLUSION OF REPRESENTATIONS AND WARRANTIES

- 6.1 All representations, warranties, conditions, guarantees and stipulations, express or implied, statutory, customary or otherwise in respect of the Assigned Intellectual Property or any of the rights, title and interests assigned or agreed to be assigned pursuant to this Assignment are expressly excluded.
- 6.2 The Assignee acknowledges that it has not entered into this Assignment in reliance upon any representations, agreements, statements or replies to specific enquiries (whether oral or written) made or alleged to have been made by the Assignor, the Administrators or their representatives at any time.

7. COUNTERPARTS AND DELIVERY

- 7.1 This Assignment may be executed in any number of counterparts and by the parties on separate counterparts.
- 7.2 Where executed in counterpart:
- (a) this Assignment shall not take effect until all of the counterparts have been delivered;
 - (b) each counterpart will be held as undelivered until the parties agree a date on which the counterparts are to be treated as delivered; and
 - (c) the parties may choose to evidence the date of delivery of this Assignment by inserting this on the front page of this Assignment.

8. GOVERNING LAW AND JURISDICTION

8.1 This Assignment shall be governed by and interpreted in accordance with Scots law. Non-contractual obligations (if any) arising out of or in connection with this assignment (including its formation) shall be governed by Scots law.

8.2 The parties agree to submit to the non-exclusive jurisdiction of the Scottish courts in relation to any claim or matter (whether contractual or non-contractual) arising under this Assignment.

In witness whereof these presents consisting of this and the preceding six pages, together with Schedule 1 attached hereto, are executed as follows:
