## Short-Form Assignment Agreement

This Patent Assignment Agreement (“Agreement”) is entered into by and between Wacom Co., Ltd., a Japanese corporation with its registered address at 2-510-1, Toyonodai, Kazo-shi, Saitama, 349-1148, Japan (“Wacom” or “Assignee”) and Japan Display Inc., a Japanese corporation with its registered address at 7-1, Nishi-shinbashi 3-chome, Minato-ku, Tokyo, 105-0003, Japan (“JDI” or “Assignor”).

**WHEREAS**, JDI and Wacom have entered into that certain Patent Purchase Agreement dated March 5, 2024 (“Patent Purchase Agreement”), pursuant to which JDI hereby assigns to Wacom all rights in the right to the patents and applications thereof, identified in Section 2 below (“Patents”), along with all of JDI’s rights in and to (a) all causes of action (whether currently pending, filed, or otherwise) and exclusive enforcement rights under such patents including, without limitation, the sole and exclusive rights to sue, to countersue and to pursue damages, injunctive relief, and any other remedies of any kind for infringement; (b) the right to practice such patents, including without limitation the right to make, have made, use, sell, offer to sell, export, and import products and services under such patents; (c) the right to license and sublicense such patents; (d) the exclusive rights to assign, sell and alienate such patents; (e) the exclusive right to prosecute applications before the Japan Patent Office, USPTO and all other patent offices, including the exclusive right to file divisional applications or continuation applications and to decide whether to abandon patent applications, to seek reexamination or reissue, and to pay or not pay maintenance fees for any of such patents; (f) the inventions reflected in the Patents; (g) the right to claim priority to any of the Patents or to any of the applications to which any of the Patents claim priority; and (h) any and all other rights to such patents (collectively, the Patents and such other rights being referred to as the “Patent Assets”).

**NOW, THEREFORE**, the parties agree to the following terms and conditions:

1. JDI hereby, without additional consideration, confirms that pursuant to this Patent Assignment Agreement it hereby assigns to Wacom, effective as of March 8, 2024, absolutely with full title guarantee, all of JDI’s right, title and interest in and to the Patent Assets, including without limitation the Patents and all and any inventions disclosed in the Patents, including but not limited to the right to bring, make, oppose, defend, appeal proceedings, claims or actions and obtain relief and claim present, or future damages and to seek all other remedies against any third party’s infringement of the Patents which occurred on or after the assignment of the Patents, the right and interest to claim priority related to the Patents as well as all other emoluments, interests, profits, and benefits arising therefrom including but not limited to prosecute and obtain grant of patents and the right to extend to any country or territory in the world each and any of the Patents, the right to file divisional and continuation applications based on the Patents and to prosecute and obtain grant of patent on each and any such divisional application. Wacom confirms that pursuant to the Patent Agreement it has accepted such assignment of the Patent Assets, including the Patents. To the extent the Patent Purchase Agreement is deemed to be insufficient to transfer all Patent Assets to Wacom, JDI

hereby assigns, transfers and conveys to Wacom all Patent Assets not conveyed by the Patent Purchase Agreement, effective as of the date hereof.

2. Patents subject to this Agreement are as follows:

Patents

No.	CC	Category	App. No.	Granted Date	Granted No.	Title
1	US	Invention	15/078126	2019/10/22	10452189	Display device

31	US	Invention	15/959699	2020/1/28	10545589	Touch detection device

3. In order to enable Wacom to apply for and complete the recordation of the assignment with the relevant patent authority, JDI agrees to take all necessary actions and measures at its own cost to assist Wacom, including but not limited to executing or having executed by the inventors any necessary documents for such recordation, providing the original of patent certificate, etc.
4. This Agreement is governed by the Japanese laws and regulations, is executed in duplicate in English by the authorized representatives of both parties, and will become effective on the date on which the last Party executes this Agreement.
