PATENT ASSIGNMENT

THIS PATENT ASSIGNMENT ("Assignment") is by and between **Vandorf GR1 Inc.** ("Assignor"), with a principal place of business at 180 Ram Forest Road, Stouffville, Ontario L4A 2G8, Canada, and **RSG International Corp.** ("Assignee"), with a principal place of business at 180 Ram Forest Road, Stouffville, Ontario L4A 2G8, Canada (collectively, the "Parties").

WHEREAS, Assignor is the owner of all right, title and interest in, to and under the said inventions and the said applications/patents in the United States of America and in any and all countries foreign thereto listed in the attached Exhibit A; and

WHEREAS, Assignee is desirous of obtaining the entire right, title and interest in, to and under the said inventions and the said applications/patents in the United States of America and in any and all countries foreign thereto listed in the attached Exhibit A.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are acknowledged, the Parties hereby agree as set forth below.

Assignor hereby sells, assigns, transfers and conveys to Assignee, its successors, legal representatives, and assigns, its entire right, title and interest in, to and under the said inventions, and the said applications/patents, and all divisional, renewal, substitutional, and continuing applications thereof; and all Letters Patent of the United States of America which may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patent which may be filed for said inventions in any country or countries foreign to the United States of America, including all rights of priority, all rights to publish cautionary notices reserving ownership of said inventions, all rights to register said inventions in appropriate registries, and all Letters Patent which may be granted for said inventions in any country or countries foreign to the United States of America and all extensions; renewals and reissues thereof, and hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States of America, and any official of any country or countries foreign to the United States of America, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said inventions to the Assignee, its successors, legal representatives and assigns, in accordance with the terms of this Assignment.

AND ASSIGNOR HEREBY covenants that it has full rights to convey the entire interest herein signed, and that it has not executed, and will not execute any agreement in conflict herewith.

AND ASSIGNOR HEREBY further covenants and agrees that it will communicate to said Assignee, its successors, legal representatives and assigns, any fact known to it respecting said inventions, and testify in any legal proceeding, sign all lawful papers, execute all divisional, renewal, substitutional, continuing and reissue applications, make all rightful declarations and/or oaths and generally do everything possible to aid said Assignee, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said inventions in all countries.

IN WITNESS WHEREOF, the Parties hereto have executed this Patent Assignment on the dates set forth.
