Los Angeles, CA 90066
United States

Assignee:

Final Bell Brand Co.
7720 Airport Business Pkwy
Van Nuys, CA 91406

PATENT ASSETS BEING ASSIGNED - SEE EXHIBIT A APPENDED HERETO
TRADEMARK ASSETS BEING ASSIGNED- SEE EXHIBIT B APPENDED HERETO
DOMAIN NAME ASSETS BEING ASSIGNED- SEE EXHIBIT C APPENDED HERETO

WHEREAS, Final Bell Holdings Inc., a Delaware corporation (hereinafter jointly and individually referred to as the "Assignor"), desires to assign and transfer to Final Bell Brand Co., a Delaware corporation (hereinafter referred to as the "Assignee"), the entire right, title and interest in and to its entire patent portfolio including the patents and patent applications identified on EXHIBIT A, appended hereto. Any additional patents and patent applications that the Assignor owns at the time of this Agreement not currently listed in Exhibit A are understood to also be included in Exhibit A and Exhibit A is considered to include the same.

AND WHEREAS, Assignor desires to assign and transfer to Assignee its worldwide trademarks including those that are listed in EXHIBIT B appended hereto; and whereas the Assignee is desirous of acquiring the entire right, title and interest thereto, including the goodwill of the business symbolized thereby.

AND WHEREAS, Assignor desires to assign and transfer to Assignee its domain name portfolio, including but not limited to those domains that are listed in EXHIBIT C appended hereto (but expressly excluding gswglobalservices.com); and whereas the Assignee is desirous of acquiring the entire right, title and interest thereto, including the goodwill of the business symbolized thereby.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which Assignor hereby expressly acknowledges, the Assignor and the Assignee agree as follows:

PATENT ASSIGNMENT

1. Assignor does hereby sell, assign, and transfer unto Assignee, and Assignee accepts, all right, title, and interest that exist today and may exist in the future in and to any and all of the following (collectively, the "Patent Rights"):
 - 1.1 All patent applications and patents listed in Exhibit A as well as any patent applications and patents that Assignor owns at the time of this Agreement not listed in Exhibit A (the "Patent Assets") attached hereto;
 - 1.2 All continuations, divisionals, continuations-in-part, reissues, reexaminations, extensions, substitute applications, continuing prosecution applications, requests for continuing examinations, and registrations of the Patent Assets, and all patents and patent applications to which any of the Patent Assets directly or indirectly claim priority, and all patents and patent applications for which any of the Patent Assets directly or indirectly forms a basis for priority;
 - 1.3 All foreign patents, patent applications, and counterparts relating to the Patent Assets and/or any of the forgoing items;
 - 1.4 Inventions, invention disclosures, and discoveries described in any of the Patent Assets and/or any of the forgoing items;
 - 1.5 All rights to apply in any or all countries of the world for patents, certificates of invention, utility models, industrial design protections, design patent protections, or other governmental grants or issuances of any type related to the Patent Assets and/or any of the foregoing items, including, without limitation, under the Paris Convention for the Protection of Industrial Property, the International Patent Cooperation Treaty, or any other convention, treaty, agreement, or understanding;
 - 1.6 All causes of action, past, present, and future, and other enforcement rights under, or on account of, any of the Patent Assets and/or any of the foregoing items including, without limitation, all causes of action and other enforcement rights for damages, injunctive relief, and any other remedies of any kind for past, present and future infringement; and
 - 1.7 All rights to collect unpaid past, present, and future royalties and other payments under or on account of any of the Patent Assets and/or any of the foregoing items.
2. Assignor represents that as of the date of this Assignment, the Patent Assets are in good standing and that no rights to the Patent Assets have been conveyed to anyone other than Assignee.

3. Assignor hereby authorizes the respective patent office or governmental agency in each jurisdiction to issue any and all patents, certificates of invention, utility models or other governmental grants or issuances that may be granted upon any of the Patent Rights in the name of Assignee, as the assignee to the entire interest therein.
4. Assignor will, at the request and expense of Assignee, do all things necessary, proper, or advisable, including without limitation, the execution, acknowledgment, and recordation of specific assignments, oaths, declarations, and other documents, to assist Assignee in obtaining and perfecting the Patent Assets in favor of Assignee; and obtaining, perfecting, sustaining, and/or enforcing the Patent Rights. In the event Assignor is unable or unwilling to do so, Assignor hereby authorizes and requests the Assignee, or the Assignee's attorney or agent, to execute on Assignor's behalf substitute statements or other documents required for obtaining and perfecting the Patent Assets in favor of Assignee; and obtaining, perfecting, sustaining, and/or enforcing the Patent Rights.
5. Assignor will, at the request and expense of Assignee, do all things necessary, proper, or advisable, to pursue any patent application of the Patent Assets through to registration in any appropriate and desired jurisdiction even after the date of this Agreement. In the event Assignor is unable or unwilling to do so, Assignor hereby authorizes and requests the Assignee, or the Assignee's attorney or agent, to execute on Assignor's behalf substitute statements or other documents required for obtaining, perfecting, filing, pursuing, and registering any patent application of the Patent Assets in any appropriate and desired jurisdiction.
6. If not already present, Assignor hereby authorizes and requests the Assignee, or Assignee's attorney or agent, to insert in Exhibit A the filing date and application number of the Patent Assets when known.
7. The terms and conditions of this Assignment of Patent Rights will inure to the benefit of Assignee, its successors, assigns, and other legal representatives and will be binding upon Assignor, its successors, assigns, and other legal representatives.
8. This Agreement may be executed via electronic signature (DocuSign or equivalent) or in two (2) or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Counterparts may be delivered via facsimile, electronic mail or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

TRADEMARK ASSIGNMENT

1. Assignor hereby assigns, conveys, and transfers unto Assignee all right, title, and interest in and to, its global trademark portfolio including under the trademarks listed in Exhibit B and any trademark right owned by the Assignor at the time of this Agreement even if not included in Exhibit B (the "Trademark Assets") together with the following:
 - 1.1. all associated common law rights,

- 1.2. the goodwill of the business symbolized thereby, and
- 1.3. all rights and privileges granted and secured thereby, including, without limitation, the right to sue and recover for any past or continuing infringement of the Trademark Assets, as well as the right to seek any and all remedies available at law or in equity (collectively referred to as "Trademark Rights").
2. All said right, title and interest to the Trademark Assets shall be held and enjoyed by Assignee, for its own use and benefit and for the use and benefit of its successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment of the Trademark Assets had not been made.
3. Assignor will, at the request and expense of Assignee, do all things necessary, proper, or advisable, including without limitation, the execution, acknowledgment, and recordation of specific assignments, oaths, declarations, and other documents, to assist Assignee in obtaining and perfecting the Trademark Assets in favor of Assignee; and obtaining, perfecting, sustaining, and/or enforcing the Trademark Rights. In the event Assignor is unable or unwilling to do so, Assignor hereby authorizes and requests the Assignee, or the Assignee's attorney or agent, to execute on Assignor's behalf substitute statements or other documents required for obtaining and perfecting the Trademark Assets in favor of Assignee; and obtaining, perfecting, sustaining, and/or enforcing the Trademark Rights.
4. Assignor will, at the request and expense of Assignee, do all things necessary, proper, or advisable, to pursue any trademark application of the Trademark Assets through to registration in any appropriate and desired jurisdiction even after the date of this Agreement. In the event Assignor is unable or unwilling to do so, Assignor hereby authorizes and requests the Assignee, or the Assignee's attorney or agent, to execute on Assignor's behalf substitute statements or other documents required for obtaining, perfecting, filing, pursuing, and registering any trademark application of the Trademark Assets in the appropriate and desired jurisdiction.

DOMAIN NAME ASSIGNMENT

1. Assignor hereby assigns, conveys, and transfers unto Assignee all right, title, and interest in and to, its domain name portfolio, including the domain names listed in Exhibit Band any registered domain right owned by the Assignor at the time of this Agreement (but expressly excluding gswglobalservices.com) even if not included in Exhibit B (the "Domain Name Assets") together with the following:
 - 4.1. all associated common law or statutory rights throughout the universe,
 - 4.2. the goodwill of the business symbolized thereby, and
 - 4.3. all rights and privileges granted and secured thereby, including, without limitation, the right to sue and recover for any past or continuing infringement or confusion of the Domain Name Assets, as well as the right to seek any and all remedies available at law or in equity (collectively referred to as "Domain Name Rights").

5. All said right, title and interest to the Domain Name Assets shall be held and enjoyed by Assignee, for its own use and benefit and for the use and benefit of its successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment of the Domain Name Assets had not been made.
6. Assignor will, at the request and expense of Assignee, do all things necessary, proper, or advisable, including without limitation, the execution, acknowledgment, and recordation of specific assignments, oaths, declarations, and other documents, to assist Assignee in obtaining and perfecting the Domain Name Assets in favor of Assignee; and obtaining, perfecting, sustaining, and/or enforcing the Domain Name Rights. In the event Assignor is unable or unwilling to do so, Assignor hereby authorizes and requests the Assignee, or the Assignee's attorney or agent, to execute on Assignor's behalf substitute statements or other documents required for obtaining and perfecting the Domain Name Assets in favor of Assignee; and obtaining, perfecting, sustaining, and/or enforcing the Domain Name Rights.
7. Assignor will, at the request and expense of Assignee, do all things necessary, proper, or advisable, to pursue any assignment, registration or renewal of the Domain Name Assets in any appropriate and desired jurisdiction even after the date of this Agreement. In the event Assignor is unable or unwilling to do so, Assignor hereby authorizes and requests the Assignee, or the Assignee's attorney or agent, to execute on Assignor's behalf substitute statements or other documents required for the assignment, registration, or renewal of Domain Name Assets in the appropriate and desired jurisdiction.

This Agreement may be executed via electronic signature (DocuSign or equivalent) or in two (2) or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Counterparts may be delivered via facsimile, electronic mail or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

Each of the terms and conditions contained in this agreement will be deemed to be separate and severable from each other and if any one or more of the terms and conditions are determined to be invalid or unenforceable by any court of competent jurisdiction, such determination and any consequential severance will not invalidate the remainder of this agreement, which will remain in full force and effect as if such severed terms and conditions had not been made a part thereof.
