PATENT ASSIGNMENT

WHEREAS, I, **James T. Crawford, III**, residing at 3005 Markworth Road, Charlotte, NC 28210; Christopher Jacobs, residing at 3511 Providence Manor Rd Charlotte, NC 28270; and Edward W. Waters, Jr. residing at 911 Cardinal Drive Charlotte, NC 28205 (hereinafter, "Assignor"); made certain new and useful inventions and improvements for which we executed applications for Letters Patents of the United States, which is identified by Attorney Docket No. 310_004US1 and as a Non-Provisional U.S. Patent Application titled "**LOW AIR LEAKAGE, SECURE MODULAR CLEAN ROOM WITH REDUCED SEALANT CONTAMINATION**" on which we are all three listed in the original filing as Inventors and filed in 2020 (hereinafter, the "Patents" or the "Application"), including non-provisional applications, continuations, continuations-in-part, divisions, reissues, reexaminations and any international filings claiming priority from the Application.

AND WHEREAS, Threesquared Solutions, LLC, a corporation organized and existing under and by virtue of the laws of the State of North Carolina, and having an office and place of business at 1150 Crews Road, Suite F, Matthews, NC 28105, (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and applications in and to the Letters Patent to be obtained from the Application or the PATENT;

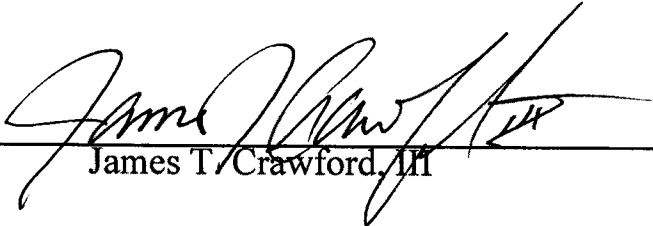

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of consideration whereof is hereby acknowledged, We have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns,

the entire right, title and interest for all countries in and to all inventions and improvements disclosed in the aforesaid application, and in and to the said Patents, all divisions, continuations, continuations-in-part, or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the said inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted therefrom; and We do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to the said Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the said Assignee, its successors and assigns.

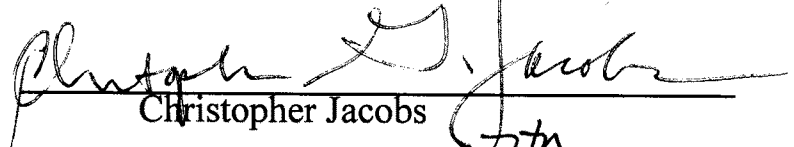

AND, for the consideration aforesaid, We do hereby agree that We and Our executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to us relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the said improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore We covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by us and that full right to convey the same as herein expressed is possessed by us.

IN TESTIMONY WHEREOF, I have hereunto set my hand this 7th day of MAY, 2020.
