RECORDABLE PATENT ASSIGNMENT

This Recordable Patent Assignment is between Warner Media, LLC ("Warner"), a Delaware limited liability company having an address at 30 Hudson Yards, New York, New York 10001, and AT&T Intellectual Property I, L.P. ("ATT"), a Nevada limited partnership having an address at 754 Peachtree Street NE, Suite 7C, Atlanta, Georgia 30308.

Effective on April 8, 2022, for good and adequate consideration, the receipt and sufficiency of which has been and hereby is acknowledged, ATT hereby assigns, transfers, and conveys and/or has assigned, transferred, and conveyed to Warner all of ATT's right, title and interest in and to the patents and pending patent applications identified on Attachment A (the "Patents"), with respect to which and to the extent to which ATT has or previously had the right to so assign, transfer and convey such rights, including all rights, interests, claims and demands recoverable in law or equity, that ATT has or may have in profits and damages for past, present and future infringement, including, without limitation, the right to compromise, sue for and collect such profits and damages, and all divisions, reexaminations, reissues, substitutions, continuations, continuations-in-part, renewals and extensions thereof, including the right to file applications and obtain patents, utility models, industrial models and designs for said inventions in its own name throughout the world including all rights of priority, all rights to public cautionary notices reserving ownership of said inventions and all rights to claim and register said inventions in appropriate registries. ATT hereby authorizes and requests the Commissioner of Patents in the United States Patent and Trademark Office to record this Recordable Patent Assignment and hereby agrees to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such rights, title and interest in Warner, its successors, assigns and legal representatives.

IN WITNESS WHEREOF, ATT has caused this Recordable Patent Assignment to be executed by its duly authorized representative.
