PATENT ASSIGNMENT AGREEMENT

This PATENT ASSIGNMENT AGREEMENT (“**Patent Assignment**”), dated as of March 11, 2024, is made by Lavvan, Inc., having a place of business at 787 11th Ave, New York, NY 10019 (“**Lavvan**”), and Amyris, Inc., having a place of business at 5885 Hollis St., Suite 100, Emeryville, CA 94608 (“**Amyris**”).

WHEREAS, under the terms of that certain Patent and Technology Assignment Agreement between Lavvan and Amyris, dated as of March 11, 2024 (the “**Assignment Agreement**”), Lavvan has conveyed, transferred, and assigned to Amyris, among other assets, certain patent rights of Lavvan, and has agreed to execute and deliver this Patent Assignment, for recording with the United States Patent and Trademark Office and corresponding entities or agencies in any applicable jurisdictions;

NOW THEREFORE, Lavvan agrees as follows:

Assignment. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Lavvan hereby irrevocably conveys, transfers, and assigns to Amyris all of Lavvan’s right, title, and interest in and to the following (the “**Assigned Patent Rights**”):

the patents and patent applications set forth in Schedule A hereto and all issuances, divisions, continuations, continuations-in-part, reissues, extensions, reexaminations, and renewals thereof;

all rights of any kind whatsoever of Lavvan accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

Recordation and Further Actions. Lavvan hereby authorizes the Commissioner for Patents in the United States Patent and Trademark Office and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Patent Assignment upon request by Amyris. Following the date hereof, Lavvan shall provide reasonable assistance necessary for Amyris to perfect title to the Assigned Patent Rights, including signing and delivering documents and assignment agreements requested

by Amyris to implement, defend, evidence, and perfect such assignment and transfer to Amyris of the Assigned Patent Rights.

Terms of the Assignment Agreement. The parties hereto acknowledge and agree that this Patent Assignment is entered into pursuant to the Assignment Agreement, to which reference is made for a further statement of the rights and obligations of Lavvan and Amyris with respect to the Assigned Patent Rights. The representations, warranties, covenants, agreements, and indemnities contained in the Assignment Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Assignment Agreement and the terms hereof, the terms of the Assignment Agreement shall govern.

Counterparts. This Patent Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. A signed copy of this Patent Assignment delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Patent Assignment.

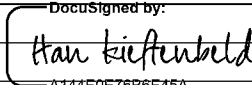

Successors and Assigns. This Patent Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

Governing Law. This Patent Assignment and the rights and obligations of the parties will be governed by and construed and enforced in accordance with the laws of the State of Delaware as applied to agreements entered into and to be performed entirely within Delaware between Delaware residents, without regard to conflicts of law principles. All actions and proceedings arising out of or relating to this Agreement or the facts and circumstances leading to its execution, whether in contract, tort or otherwise, shall be heard and determined in the Bankruptcy Court, or if the Chapter 11 Cases are closed, to the District Court for the Southern District of New York. The parties hereto hereby (a) submit to the exclusive jurisdiction of the Bankruptcy Court or the District Court for the Southern District of New York, as applicable, for the purpose of any action arising out of or relating to this Agreement or the facts and circumstances leading to its execution, whether in contract, tort or otherwise, brought by any party hereto, and (b) irrevocably waive, and shall not assert by way of motion, defense, or otherwise, in any such action, any claim that it is not subject personally to the jurisdiction of the above-named court, that its property is exempt or immune from attachment or execution, that the action is brought in an inconvenient forum, that the venue of the action is improper, or that this Patent Assignment may not be enforced in or by the Bankruptcy Court or District Court for the Southern District of New York, as applicable.
