Whereas, Lincotek Medical LLC, having an office at 3110 Stage Post Drive, Bartlett, TN 38133, IMDS Corporation, having an office at 560 West Golf Course Road, Providence, Utah 84332, IMDS LLC, having an office at 560 West Golf Course Road, Providence, Utah 84332, and Mayo Foundation For Medical Education And Research, having an office at 200 First Street SW Rochester, Minnesota 55905 ("Assignors") have ownership of certain inventions, improvements, and discoveries (herein referred to as the "Invention") disclosed in the Application(s);

Whereas, OsteoCentric SI Fusion, LLC, having an office at 1000 North Mopac Expy, Suite 100, Austin, TX 78759 ("Assignee"), desires to acquire, and Assignors desire to grant to Assignee, the entire worldwide right, title, and interest in and to the Invention and in and to any and all patent applications and patents directed thereto, including but not limited to the Application(s);

Now, therefore, in consideration of and in exchange for good and valuable consideration, the receipt and sufficiency thereof being hereby acknowledged, Assignors hereby sell or have sold, assign or have assigned, and otherwise transfer or have transferred to Assignee, its successors, legal representatives, and assigns, the entire worldwide right, title, and interest in and to the Invention, the Application(s), and any and all other patent applications and patents for the Invention which may be applied for or granted therefor in the United States and in all foreign countries and jurisdictions, including all divisions, continuations, continuations-in-part, reissues, reexaminations, renewals, restorations, extensions, counterparts, substitutes, and extensions thereof, and all rights of priority resulting from the filing of such applications and granting of such patents. Assignors agree that, if the data above regarding the Application(s) is incomplete, the missing data may be added hereto after receipt of the same from the patent office(s) in which the Application(s) are filed.

In addition, Assignors hereby authorize and request the Director of the United States Patent and Trademark Office to issue any United States Patent, and foreign patent authorities to issue any

foreign patent, granted for the Invention, to Assignee, its successors, legal representatives, and assigns, the entire worldwide right, title, and interest in and to the same to be held and enjoyed by Assignee, its successors, legal representatives, and assigns to the full end of the terms for which any and all such patents may be granted, as fully and entirely as would have been held and enjoyed by Assignors had this Assignment not been made; and Assignors agrees to execute any and all documents and instruments and perform all lawful acts reasonably related to recording this Assignment or perfecting title to the Invention and all related patents and applications, to Assignee, its successors, legal representatives, and assigns, whenever requested by Assignee, its successors, legal representatives, or assigns.

Assignors acknowledge their prior and ongoing obligations to sell, assign, and transfer the rights under this Assignment to Assignee and are unaware of any reason why they may not have the full and unencumbered right to sell, assign, and transfer the rights hereby sold, assigned, and transferred, and has not executed, and will not execute, any document or instrument in conflict herewith. Assignors also hereby grant Assignee, its successors, legal representatives, and assigns, the right to insert in this Assignment any further identification (including, but not limited to, Patent Application Number) which may be necessary or desirable for recordation of this Assignment. This Assignment is governed by the substantive laws of the State of Utah, and any disputes will be resolved in a Utah state court or federal court sited in Utah.

Counterparts. This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.
