PATENT ASSIGNMENT AGREEMENT

THIS PATENT ASSIGNMENT AGREEMENT (“Agreement”) is made as of April 16, 2024 (“Effective Date”) by and between Christian Werjefelt (“CW”); Christian Werjefelt, Trustee of the Christian Werjefelt Trust established under the Werjefelt 2014 Dynasty Trust, a Hawaii Trust (“CW Trust 1”); Christian Werjefelt, Trustee of the Noha Loa Holdings Trust established under the Werjefelt 2024 Dynasty Trust, a Hawaii Trust (“CW Trust 2”, each of CW, CW Trust 1 and CW Trust 2, an “Assignor” and collectively, the “Assignors”); and VisionSafe Corporation (“Assignee”), a Hawaii corporation with a principal place of business at 46-217 Kahuhipa St. Kaneohe, HI 96744.

WHEREAS, Assignors and Assignee are parties to that certain Intellectual Property Assignment Agreement of even date herewith, pursuant to which each Assignor transferred, conveyed, assigned and delivered to Assignee all of such Assignor’s right, title and interest in, to and under certain intellectual property, including the patents identified in Schedule A (the “Transferred Patents”); and

WHEREAS, the parties desire to confirm the assignment of the Transferred Patents from Assignors to Assignee.

NOW, THEREFORE, in consideration of the foregoing premises and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound hereby, it is hereby agreed that:

1. Patent Conveyance. Each Assignor has transferred, conveyed, assigned and delivered and does hereby irrevocable and unconditionally transfer, convey, assign and deliver to Assignee all of such Assignor’s right, title and interest in, to and under: (i) Transferred Patents, including any patents issuing on any of the Transferred Patents, and all reissues, reexaminations, extensions, validations, continuations, continuations in part, continuing prosecution applications, requests for continuing examinations and divisionals of any of the foregoing, and all foreign counterparts relating to any of the foregoing, including, without limitation, certificates of invention, utility models and other governmental grants or issuances and any patents that claim priority from any of the foregoing, together with the right to claim priority to any of the foregoing under any applicable law, treaty or convention; (ii) all causes of action (whether known or unknown or whether currently pending, filed, or otherwise) and other enforcement rights under, or on account of, the Transferred Patents, including, without limitation, all causes of action and other enforcement rights for (A) damages, (B) injunctive relief, and (C) any other remedies of any kind for past, current and future infringement; (iii) all rights to collect royalties or other payments under or on account of the Transferred Patents due or payable on or after the Effective Date, the same to be held by Assignee for Assignee’s own use and enjoyment, and for the use and enjoyment of Assignee’s successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by such Assignor if this Assignment had not been made, including all rights therein provided by international conventions and treaties.

2. Assistance. Each Assignor further agrees to execute applications, assignments, declarations, affidavits, and any other papers as reasonably necessary to perfect Assignee's right, title and interest throughout the world in all Transferred Patents assigned to Assignee hereunder and, at such Assignee's sole expense, assist Assignee as reasonably necessary in perfecting such right, title and interest in Assignee.

3. Counterparts. This Assignment may be executed in two or more counterparts, all of which shall be considered one and the same instrument and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other party.

4. Governing Law. This Assignment and all disputes or controversies arising out of or relating to this Assignment or the transactions contemplated hereby shall be governed by, and construed in accordance with, the internal laws of the State of Delaware, without regard to the laws of any other jurisdiction that might be applied because of the conflicts of laws principles of the State of Delaware.

[Signature Page Follows]

IN WITNESS WHEREOF, each of the Assignors have caused this Agreement to be executed as of the Effective Date.
