ASSIGNMENT OF PATENT RIGHTS

FOR GOOD AND VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby acknowledged, Yusuke Fujino ("Assignor"), does hereby:

1. ASSIGN, TRANSFER AND CONVEY to Apple Inc. ("Assignee"), One Apple Park Way, Cupertino, California 95014, the entire right, title and interest to any and all improvements and/or inventions which are disclosed in the patents and/or patent applications listed in Schedule A, and such patents and/or patent applications, and all divisional, continuing, substitute, renewal, reissue and all other applications for patent which have been or shall be filed in the United States and/or any other countries on any of such improvements and/or inventions; all original and reissued patents which have been or shall be issued in the United States and/or any other countries on such improvements and/or inventions; and specifically including the right to file applications in the United States and/or any other countries under the provisions of any convention or treaty, including the right to claim priority under the International Convention, and claim priority based on such applications in the United States and/or any other countries;
2. AUTHORIZE AND REQUEST the issuing authority to issue any and all United States and foreign patents granted on such improvements to the Assignee;
3. WARRANT that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the Assignor, and that the full right to convey the same as herein expressed is possessed by the Assignor;
4. AGREE that Assignee shall have the sole right to institute, prosecute and control actions, suits or proceedings ("Actions") against third parties with respect to any past, present, or future infringement of any patent listed in Schedule A, and any patents maturing from the patents and/or applications listed in Schedule A, including any declaratory judgment actions, at its expense, using counsel of its choice. Any receipts from such Actions, including, but not limited to, awards or settlement payments, shall belong to Assignee;
5. AGREE that the terms and conditions of this Assignment of Patent Rights will inure to the benefit of Assignee, its successors, assigns, and other legal representatives and will be binding upon Assignor, its successors, assigns, and other legal representatives;
6. AUTHORIZE AND REQUEST the assignee's practitioners associated with Treyz Law Group P.C., to insert within the attached Schedule A the filing date and application number of said applications listed therein.
