PATENT ASSIGNMENT

THIS ASSIGNMENT, made this 23rd day of April, 2024, by Contract Fabrication & Design, LLC having a business address of 5427 FM 546, Princeton, Texas, 75407 (hereinafter referred to as Assignor);

WHEREAS, Assignor owns all right, title and interest to U.S. Patents listed in Appendix A ("Patents");

WHEREAS, CFD International having a business address of 5427 FM 546, Princeton, Texas, 75407 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said Patents, and in and to any Letters Patent of the United States or a foreign country to be obtained therefore and thereon.

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the Patents, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said Patents, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Patents, and all rights under the International Convention for the Protection of Industrial Property, including the right to recover for past infringements, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for the Patents and that may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor is the sole and lawful owner of the entire right, title and interest in and to the Patents, and that the same are

unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of the Patents, without charge to Assignee, its successors, legal representatives and assigns.
