## **WORLDWIDE ASSIGNMENT**

For good and valuable consideration, receipt of which is hereby acknowledged, Cellesce Limited, incorporated and registered in England and Wales with company number 08484947 whose registered office is at 1 Longwood Drive, Cardiff, CF14 7HY, United Kingdom (hereinafter "Assignor") confirms that it has sold, assigned and set over and does hereby sell, assign, and set over unto Molecular Devices (UK) Limited incorporated and registered in England and Wales with company number 028077336 whose registered office is at 660-665 Eskdale Road, Winnersh Triangle, Wokingham, Berkshire, England, RG41 5TS, United Kingdom (hereinafter "Assignee") their successors, legal representatives and assigns Assignor's entire right, title, and interest in and to all patents and applications on attached Exhibit A ("Assigned Patents") and any and all inventions and discoveries described therein. Assignor further has assigned and hereby assigns to Assignee the right to file patent applications in the name of Assignee, its designee, or in any other name or names, on the aforesaid inventions and discoveries in any or all countries of the world, together with all rights of priority in the aforesaid countries deriving from the Assigned Patents, and in and to any and all divisions, continuations, and continuations-in-part of any and all of the Assigned Patents, and any and all reissues, renewals and extensions of any of the Assigned Patents, such that the same right, title and interest to be held and enjoyed by Assignee, its successors, assigns or other legal representatives, to the full ends of the terms for which all Letters Patent therefor may be granted, shall be as full and complete as that that would have been held and enjoyed by Assignor if this assignment and sale had not been made.

Assignor further hereby covenants and agrees, for the same consideration, whenever counsel of Assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said application for Letters Patent, or any proceeding in connection with said invention, or said application for Letters Patent, including interference proceedings, is lawful and desirable, or that any division, continuation, or continuation-in-part of any application for Letters Patent, or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable to sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said invention, without charge to said Assignee, its successors, legal representatives and assigns, but at the cost and expense of said Assignee, its successors, legal representatives and assigns.

This Assignment may be executed in two or more counterparts, all of which shall be considered one and the same instrument and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties.
