## INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Intellectual Property Assignment Agreement (this "Assignment") is entered into and effective this 22nd day of April 2024, by and between **SERVA GROUP LLC**, a Delaware limited liability company ("Assignor"), and **SG HOLDINGS I LLC**, a Delaware limited liability company ("Assignee"), each individually referred to as a "Party" and collectively referred to as the "Parties."

WHEREAS, Assignor has agreed to transfer to Assignee all of Assignor's right, title and interest in and to the Intellectual Property and the goodwill accrued in connection and associated therewith, consisting of the intellectual property listed in Schedule 1, which hereinafter is referred to as "Intellectual Property."

WHEREAS, Assignee is desirous of acquiring the full right, title and interest in, to and under the Intellectual Property and the goodwill accrued in connection and associated therewith.

NOW, THEREFORE, in consideration of the foregoing and the mutual promises, covenants and conditions contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto, intending to be legally bound, hereby agree as follows:

1. Assignment. Assignor does hereby assign, transfer, convey and set over unto Assignee its full right, title and interest, including common law rights, in, to and under the Intellectual Property, including all goodwill accrued in connection and associated therewith, and the exclusive right to enforce the Intellectual Property in the sole name of Assignee, including the right to sue for past infringement if any there may be.

2. Covenant by Assignor. Assignor agrees that it will, upon Assignee's reasonable request, execute and deliver all such instruments and other documents as may be reasonably necessary or desirable to perfect Assignee's title in, to and under the Intellectual Property, including all goodwill accrued in connection and associated therewith.

3. Counterparts. This Assignment may be executed in counterparts, each of which shall be deemed to be an original, but all of which together shall constitute a single agreement, and the execution of such counterparts may be made by original signature, electronic signature or a facsimiled signature, any of which shall be deemed to be an original.

4. Governing Law. This Assignment shall be governed by and construed in accordance with the internal laws of the State of Delaware (without reference to its choice of law rules that would require the application of the laws of any other jurisdiction).

[Signatures appear on the following page.]

IN WITNESS WHEREOF, the Parties hereto, intending to be legally bound thereby, have executed this Assignment as of the date first written above.
